Assessment of Demand

Strengths	Weaknesses	Actioned by	Priorities
<ul style="list-style-type: none"> • Childcare is well located and meets the needs of the majority of parents. • Childcare is generally reliable. • The majority of respondents believed childcare is of good quality. 		CDO, FISF, AWARE	<ul style="list-style-type: none"> • For the next full CSA improve promotion of the parents survey as a very small sample of Flintshire parents completed the survey for 2016 • Ensure Welsh Government receive recommendations for improvements to the parents survey

Milestones reviewed 31st March 2018

- CDO to expand distribution list for parent survey in 2021.
- AWARE group have fed back to Welsh Government recommendations for improvements to the parent survey (2017).

Milestones reviewed 31st March 2019

- As above
- FISF have launched the FISF Facebook this year and this can be utilised to promote surveys (such as the CSA), consultations and announcements amongst parents across Flintshire. The Family Information Service Manager has put in a development request via the FIS network March 2019 to develop a DEWIS based survey system

Milestones reviewed 31st March 2018

- Support available from Umbrella organisations to complete SASS1 and 2 -**

Mudiad Meithrin arranged workshops to go through both the SASS1 and 2. Additional support was also given by the Support officer for any groups experiencing difficulties.

Wales PPA held an information session with laptops available for members to use for SASS1, Development workers helped settings during their routine visits, and all members were invited to attend the Wales PPA office for 1:1 or group support using their technology if needed.

PACEY Cymru offered telephone and email support for all registered childminders in Wales on completion of SASS. In Flintshire workshops on the Inspection Framework were delivered in May and June in preparation for SASS part 2 – attended by a total of 23 with 100% rating the course as good or excellent. Feedback included comments on how this will support SASS completion, including *"How I'll show evidence that I'm doing a good job and can fill in SASS2" [was most useful]*.

NDNA Cymru shared information about SASS 1 and 2 with members and provided telephone support on the completion of the SASS.

The CDO has supported OSC providers during routine visits to complete SASS1 and 2.

- FISF have purchased six laptops which are free to loan out to childcare settings to assist in completing SASS 1 and 2**

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

All cylchoedd Meithrin are able to apply for a grant through Mudiad Meithrin to purchase IT equipment.

Two Digital Confidence workshops in May 2017 were promoted to all childcare settings and only one childminder attended the first workshop with the second workshop cancelled because no bookings received.

Milestones reviewed 31st March 2019

- **Support and advice provided to childcare providers around SASS1 and 2 requirements**

On 7th September 2018 CIW announced 'Childcare and play providers: Not required to complete a Self-Assessment of Service (SASS) for 2018-19'. CIW plan to issue a SASS in the latter part of 2019 meanwhile childcare providers are instructed to update their Quality of Care Review and for it to be available should it be requested by CIW.

Quality of Care report workshop included on FIS Additional Training Schedule (February 2019 – 14 candidates attended).

The CDO and all umbrella organisations continues to provide support to OSC providers during routine visits around producing a Quality of Care Review and working to its Action Plan.

- **Provision of technical support to help childcare providers meet SASS1 and 2, Childcare Offer, Early Entitlement and DEWIS website requirements.**

FISF have laptops available to loan to settings to support them in completing their SASS and Quality of Care review paperwork, Childcare Offer and Early Entitlement claims and to register on the DEWIS website.

All umbrella organisations supporting settings to have combined document (Quality of Care Review & SEfI) in line with Joint Inspection. Also encouraging settings to purchase their own laptop/tablets and internet package.

Milestones reviewed 31st March 2018

- Details of PACEY and FISF promotional work.**

During the period October 2017 – February 2018 a total of 8 x 3 hour blocks of promotional engagement were delivered by PACEY Cymru to raise awareness of becoming a registered childminder in target areas of Mold and Holywell, this included attendance at 9 events or groups, and visiting a range of additional venues and organisations to discuss childminding locally during these hours.

The CDO has attended 2 P & T sessions, a Rhyme time session and a DWP Parent Event in Flint from December 2017 to March 2018 raising awareness of childminding as a career option

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

- **Play Development Officer report on setting numbers**

4,107 children and young people attended Summer Playschemes during summer holidays 2017 with 37 of these children and young people supported by the Buddy system.

Flintshire will be running the same number of playschemes this year as last year. With no plans at present to register anymore with CIW but will aspire to in the near future.

- **Promotion of Flintshire Crèche Services during 2017 – 2018**

Flintshire Crèche Services have delivered the following crèches from April 1st 2017 – March 31st 2018

One off Crèches = 15	6 week Crèches = 1	11 week Crèches = 6
4 week Crèches = 5	7 week Crèches = 4	12 week Crèches = 1
5 week Crèches = 6	8 week Crèches = 7	14 week Crèches = 1

During the last six months Flintshire Crèche Services staff have delivered promotional leaflets to schools, hotels, doctors surgeries and placed on FISF website.

- **How FISF promote Nannies.**

Currently there are no Nanny details on the FISF website but plans to include them on the new DEWIS website. Parents enquiring for Nannies will be referred to those currently on CIW's Voluntary Approval Scheme

Milestones reviewed 31st March 2019

- **Details of PACEY and FISF promotional work.**

During the period May to September 2018, a total of 8 x 3 hour blocks of promotional engagement were delivered to raise awareness of becoming a registered childminder. This included display stands at 2 large community events, attendance at 10 parent and toddler groups, 2 library story time sessions and other community facilities and activities. In total at least 95 individuals were at the group sessions that were attended in this period, which resulted in more detailed discussions with 27 individuals showing sufficient level of interest in childminding to either share their contact details or take away additional information and another 3 took flyers for friends or colleagues. Individuals from the target areas have completed the October CYPOP5 pre-registration training course; including 3 from Mold, 1 from Northop Hall, and 1 from Holywell.

During the period January – February 2019, a total of 4 x 3 hour blocks of promotional engagement were delivered in the target areas of Mold and Holywell to raise awareness of becoming a registered childminder. This included attendance at 6 parent and toddler group sessions (including 1 health visitor led parent and baby session), 1 library story/rhyme time session, along with other community facilities and activities. In total at least 66 individuals were in attendance at the sessions visited, which resulted in more detailed discussions with some, of these 9 took additional information. The March CYPOP5 course candidates include 1 person from Mold, 1 person from this round of engagement work is currently awaiting the next local briefing session.

The CDO has attended Mold Jobcentreplus for a Lone Parent event in July 2018 and three Lone Parent pathway Sessions in November 2018 to promote FISF, DEWIS, childcare options and funding and to promote childminding as a career option. FISF outreach work has improved and expanded in this field following the recruitment of two new Information Officers this year.

- **Play Development Officer report on setting numbers**

3,906 children and young people aged 5 to 12 years (5 to 15 for children with disabilities) attended Summer Playschemes during summer holidays 2018 with 41 of these children and young people supported by the Flintshire Buddy scheme.

These were held at 58 site locations in partnership with local town and community councils. The local authority worked in partnership with Urdd Gobaith Cymru to deliver 4 Welsh medium summer playschemes. For 2018, the Local Authority Benefits Service, also worked in partnership to deliver hot lunches to all children in identified hotspots for food poverty, via the local playschemes –The food went to where children were and all children were welcome.

FISF are working with the Play Development Team to look at developing an open play areas in Flintshire booklet. The play Development Team will be funding the booklet and developing it with Education. FISF will be involved in its promotion to encourage take up of free open play opportunities in the county.

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

Flintshire will be running the same number of playschemes this year as last year. With no plans at present to register anymore with CIW but will aspire to in the near future. Early indications are that a number of town and community councils have identified additional funding to support extra weeks in their communities. With 10 town and communities to date opting for the entire 6 weeks.

- **Promotion of Flintshire Crèche Services during 2018 – 2019**

Flintshire Crèche Services have delivered the following crèches from April 1st 2018 – March 31st 2019

One off Crèches = 8	2 week Crèches = 2	3 week Crèche = 1	4 week Crèche = 1
5 week Crèches = 2	6 week Crèche = 1	7 week Crèches = 3	8 week Crèches = 4
10 week Crèches = 2	11 week Crèches = 6	12 week Crèches = 7	14 week Crèches = 1
35 week Crèche = 1			

During the last year Flintshire Crèche staff have continued to promote use of the service. Demand has decreased this year due to a reduction in programmes offered under grant funding although the actual number of sessions provided seems to be at the same level as last year. The team will continue to work to promote and raise the profile of the service during the coming year.

- **How FISF promote Nannies.**

The FCC Childcare budget subsidises training and start up support for Nannies that are looking to join the voluntary approval scheme. However, there have been no new nannies registering on the Voluntary Approval scheme this year. This could be attributed to the changes in registering requirements as Nannies must now have a Level 3 Childcare qualification or the CYPOP5 qualification in order to register on the scheme. In May 2018 the FISF website was replaced by DEWIS the website where parents can look for Childcare providers in the county. DEWIS do not provide a facility to register Nannies at present however, they have been requested to add this to the choice of childcare providers and this should be actioned in the near future. On 25th February 2019 a change in legislation has meant that nannies are currently unable to register on the Voluntary Approval Scheme therefore going forward this will impact on numbers of nannies able to enter their details on the DEWIS website.

PACEY Cymru support -

- PACEY Cymru held an event on the 17th November at Porth Eirias with funding from Welsh Government which was open to all childcare providers. The aim of the event was to look for ideas on how to introduce more Welsh vocabulary throughout practices to support children's learning. The training was suitable for individuals who have a little Welsh language skills, a Welsh learner or a fluent Welsh speaker and was designed to enable attendees to utilise the learning within their settings.
- PACEY Cymru along with CWLWM partners continue to promote and recruit participants for Gwiriwr, the learn welsh level checker which is a diagnostic tool specifically designed to help the Childcare, Early Years and Playwork workforce to help accurately identify their current level of welsh competency. Based on completing activities on reading, writing, listening, and speaking. There is some information at <http://www.cwlwm.org.uk/wheres-your-welsh-at/>
- PACEY Cymru are hosting webinars to support Gwiriwr participant childminders, which has been well received including by participants from Flintshire.
- Cymraeg Gwaith – The aim of this scheme is that CWLWM partners work together and make individual use (according to their expertise) to further develop the Welsh language skills of the workforce. The scheme is funded by the Welsh Government through the National Welsh Learning Centre. The main aim of the plan is to ensure that the workforce receives diverse opportunities to learn and develop their ability in Welsh, in order to be able to use the language confidently in the workplace and beyond. Pilot courses included a 10 week course held in Flintshire, which was attended by a local registered childminder (alongside other settings).
- PACEY Cymru have further developed online resources to support childminders with Welsh Language Development, these have been brought together into a Spotlight on Welsh Language Development at <https://www.pacey.org.uk/welsh-language-development/>

Milestones reviewed 31st March 2018

- The CO team have reported families of other languages have taken up the childcare offer including Russian and Polish. The FISF team also received a number of Assisted places Grant Applications from families of other languages. FISF staff will support all parents with the parent on-line survey or any FISF grant application forms regardless of their ethnicity, nationality or language.
- CDO promoted the CSA Parent survey through a number of minority support networks with assistance from Fiona Mocko, (FCC Policy Development Officer - Equalities)

Milestones reviewed 31st March 2019

- **Settings should be supported to encourage families with other languages to use established childcare settings**
The CO team and FISF team continue to support families with other languages to enable them to access their services.

Contact is made with Wales PPA who then send the Development worker to visit and assist with the registration forms.

Mudiad Meithrin have a dedicated Flintshire Support officer who will work with committees to register with CIW. In particular work is being undertaken to register all settings as CIO and to re- register with CIW with a Responsible individual as opposed to a registered person.

PACEY Cymru are funded by the local authority to deliver a range of pre-registration services, including briefing sessions / CYPOP5 courses / pre-registration support workshops, telephone/email support, and individual advice surgery sessions, along with sharing start-up grant information.

NDNA provide support and guidance to those enquiring about wanting to start a day nursery.

NDNA offer a number of free factsheets providing advice and guidance to parents – e.g. choosing your day nursery, a guide to bilingualism: http://www.ndna.org.uk/NDNA/Stakeholders/Parents_resources/Parents_Factsheets.aspx

- **How CDO and the umbrella orgs are actively encouraging settings to expand their hours / be more flexible**

CDO is working with Urdd and Ysgol Glanrafon regarding a possible Welsh medium holiday club in Mold.

All umbrella organisations attend the CO Advisory group meetings and are aware of the importance of promoting flexible provision for working parents across the County.

- **Umbrella orgs detailing how they are able to support those interested in providing a Welsh medium childcare service**

All settings registered with Mudiad Meithrin are supported by a Support officer who offers support and guidance on all aspects of running the Cylch Meithrin. Particular emphasis is put on language development through a language scheme Croesi'r Bont which tracks each child's progress in the Welsh language since starting at Cylch.

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

Wales PPA encourages the use of the Welsh language and provides some useful resources.

PACEY Cymru offer bilingual resources and training. Childminder development work has included targeting Welsh activities such as Ti a Fi, also engaged with Menter in Flintshire to help promote childminding as a career.

Milestones reviewed 31st March 2019

- **CDO and umbrella orgs detailing training and support available to those looking to register with CIW**

PACEY Cymru deliver childminder development work and pre-registration support in order to encourage new childminders. Two CYPOP5 course ran during this year – one in October 2018 and the other in March 2019

Early Years Wales provides support to settings with CIW registration either with a visit from the development officer or office support. Due to the setting up of new provision and changes providers are making to their legal status 14 providers have had support with CIW registration. Currently support is being provided to Abermorddu School and Ysgol Yr Esgob, Caerwys who are opening new provision shortly.

The CDO is currently supporting St. Anthony's RC School, Saltney to become registered with CIW

- **How CDO and the umbrella orgs are actively encouraging settings to expand their hours / be more flexible**

At the Briefing session and throughout the registration process PACEY Cymru encourage new childminders to look at offering flexible working hours to meet the needs of parents working atypical hours.

Across the board all childcare umbrella organisations are supporting settings to consider expanding their hours in a sustainable manner

- **Umbrella orgs detailing how they are able to support those interested in providing a Welsh medium childcare service**

PACEY Cymru offer bilingual resources and training. Childminder development work in 2018-19 has continued to target Welsh activities such as Ti a Fi to encourage Welsh speakers and learners to consider a childminding career.

Progress Report for Flintshire’s Childcare Sufficiency Assessment March 2019

Early Years Wales

- Early Years Wales visited settings that had completed the Un, Dau Tri courses to provide additional support with reading Welsh confidently, Welsh play activities and provided them with additional Welsh resources
- Promoted the Active Offer, shared information on the benefits of nominating a Welsh speaker to wear the lanyard and badge so as to be recognised should anyone want to speak Welsh
- Shared Bookstart’s bilingual books for settings to use with their families
- Visited settings to support them to complete the Gwiriwr language checker (17 completed)

Mudiad Meithrin have a local Support Officer who will advise and assist in all aspects of running a Cylch by providing regular telephone, email and support visits. Mudiad Meithrin also employ a support officer for the Ti a Fi groups and another Croesi’r Bont Officer through educational funding. This year sees the launch of their new updated management guidelines – Llyfr Mawr Piws – a hands on guide to help staff and committees in the day to day running of the cylch.

NDNA Cymru are running a supported employment project ‘Childcare Works’ for unemployed individuals aged 50 plus living in Flintshire providing 16 weeks paid supported employment for 16 hours per week to include childcare specific training workshops and placements within childcare settings.

ASPIRE is a project funded by the Big Lottery Fund to support young parents or expectant young parents* (*who are at least 29 weeks into their pregnancy) aged 14 to 25 years across Flintshire and Wrexham.

During 2017 – 2018 it has supported 116 participants. The project is concerned at the lack of funding for childcare to allow school age parents to return to studying. Also, young parents who receive funding for college based childcare are not allowed to use college transport for their children.

Milestones reviewed 31st March 2019

- **Continued promotion of the PaCE project**

The Aspire project finished earlier this year in line with its’ funding schedule.

The FISF Manager has met with PaCE in February 219 to look at revamping the programme by identifying a number of areas for improvement, specifically around promotion and feedback. One suggestion is for FISF Information Officers to carry out outreach work, especially around rural North Flintshire and the outlying villages of Mold, to complement the work carried out by the PaCE team. Also, PaCE are aware of the CSA and that they are able to feed back to us any observations they may have on childcare provision to build up evidence.

Lynne Mort from FISF and Jackie Dines from Wales PPA support parents and settings to access the Extra Hands grants.

37 children have received one to one support from April 2017 to March 2018 with 11 funded from the OOSC grant, 23 funded from the FCC Childcare grant and 3 from the CO SEN grant.

One childminder received an Inclusion Grant, funded by the OOSC grant, to provide a ramp for her setting.

PACEY local North East Regional meeting in February 2017 focussed on inclusion with Lynne Mort as guest speaker to raise awareness of the inclusion toolkit and Lynne's support, and to share good practice with peers

37 of the 4,107 children and young people attending Summer Playschemes during summer holidays 2017 were supported by the Buddy system.

Milestones reviewed 31st March 2019

- **Continued promotion of the Extra Hands grant amongst parents and childcare settings**

Lynne Mort from FISF and Jackie Dines from Early Years Wales have continued to support parents and settings to access the Extra Hands grants up until the end of December 2018 when Lynne Mort left her position with FCC as Childcare Brokerage Officer. From January to March 2019 Jackie Dines has been commissioned through Early Years Wales to provide elements of the Childcare Brokerage Officer role which has included supporting parents and settings with Extra Hands grant applications.

Progress Report for Flintshire’s Childcare Sufficiency Assessment March 2019

The CDO administers payment of the Extra Hands grant from the FCC Childcare budget for non-Early Years Wales members and the Welsh Government Out of School Childcare grant with both grants funding places for 19 children during 2018 /19. Additional support from Welsh Government towards the end of the funding period enabled the CDO to process a further 3 grants to support children during the Spring term. Once again many thanks, on behalf of these Flintshire families, to Welsh Government for this additional financial support.

THE CDO also processes the CO SEN payments. During this financial year 14 families have benefitted from Extra Hands grant payments and two settings have received an Equipment / resources grant to support a CO child in their setting.

Early Years Wales supported 11 children with one to one support from April 2018 to March 2019 funded from the FCC Childcare grant.

- **Use of the SEN grant for funded childcare offer.**

There has been joint working between agencies (EE and FISF) to encourage consistent approach to allocation of ALN support funding between schemes, particularly as the same children may be accessing funding from two sources. EE and FISF have reviewed their funding application forms for the ALN grants in order to strengthen consistency and meet best needs of the child.

During 2017 – 2018 the OOSC grant awarded 4 sustainability grants and the FCC Childcare grant awarded 12 sustainability grants to support. Both of these grant streams will be available during 2018 – 2019 to support childcare settings across Flintshire.

PACEY Cymru de-registration report Feb 17 identified that some childminders felt they should have been more business minded. As a result of these findings, PACEY Cymru have established routine calls for newly registered childminders and introduced a short intro to new registration support webinar. Further to this the local authority funds PACEY Cymru to deliver a local 'Newly Registered support workshop' (within FISF additional training programme) to help new childminders with business sustainability through a focus on marketing and running their new business as well as preparing for their first inspection.

All umbrella organisations have consistently promoted the sustainability grants and assisted places grants with increased take up of both of these grants during this financial year.

NDNA Cymru has worked closely with the Welsh Government on the small business rates relief scheme, which will support the sustainability of private day nurseries.

CPCKC have secured funding from the Moonlight foundation to fund a Peripatetic Childcare Business Development Officer to support OSC settings in Flintshire one day per week.

FISF have purchased six laptops which are free to loan out to childcare settings to assist in completing SASS 1 and 2

- **Securing continued funding for the sector.**

During 2018 – 2019 the OOSC grant awarded 8 sustainability grants and the FCC Childcare grant awarded 9 sustainability grants to support. Both of these grant streams will be available during 2019 – 2020 to support childcare settings across Flintshire.

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

PACEY Cymru published an update to the childminder de-registration report which shows the work undertaken to against the recommendations to the 2017 childminder de-registration report. As a result of these finding, PACEY Cymru have established routine calls for newly registered childminders and introduced and a short intro to new registration support webinar. Further to this the local authority funds PACEY Cymru to deliver local Newly Registered support for childminders, which has moved to an advice surgery model as opposed to workshop in order to offer tailored business sustainability support, which includes marketing and running their new business, as well as preparing for their first inspection.

CPCKC secured funding from the Moonlight foundation to fund a Peripatetic Childcare Business Development Officer to support OSC settings in Flintshire one day per week up until 31st December 2018.

Sustainability continues to remain a concern as we find we have some small playgroups who cannot open more than they currently do and because of this they could now be at a disadvantage in terms of being sustainable because they can't compete with the settings which open extended hours to take the CO children.

NDNA report that business rates in Wales have now been waived for all nurseries (for three years initially). This is in response to calls from the NDNA to the Government to help nurseries to meet rising wages pension auto enrolment and sick pay costs. The request for the rate for early entitlement to rise £4.50 an hour in line with the 30 hour offer was also met .Flintshire are now piloting the scheme. This has been welcomed and will also help nurseries to continue to deliver the Foundation Phase as the rate paid beforehand was £2.91 an hour.

- **Consistent promotion of the grants available to settings and parents.**

Early Years Wales supports providers with sustainability related issues, providing business plan templates and useful grant information, we also send a representative to sustainability panel meetings.

The FISF newsletter continually promotes the availability of grants to all settings

All umbrella organisations have consistently promoted the sustainability grants and assisted places grants with increased take up of both of these grants during this financial year yet again.

NDNA Cymru offer a wide range of face to face and online training to support workforce development.

The FCC Childcare grant have funded two rounds of CYPOP5 courses for potential new childminders during 2017 – 2018. Some of the workshops and training funded by FCC and delivered by PACEY Cymru have been mentioned above such as newly registered support workshop for childminders and Fun with Welsh in February. PACEY Cymru have also delivered New Inspection Framework in May and June 2017, Digital Inclusion May 2017, Planning for Learning September 2017, Introduction to Food Allergens and Infection Prevention and Control Guidance October 2017 and Preparing for your Inspection March 2018.

Milestones reviewed 31st March 2019

- Securing funding for mandatory training schedule and other training opportunities for CPD**

The CDO continues to provide a Training Schedule and Additional Training Schedule funded through the OOSC grant. Income generated by the training schedule enables settings to benefit from a range of training opportunities through the Additional Training Schedule

PACEY Cymru - The FCC Childcare Grant has funded two rounds of childminder pre-registration training and support (October 2018 and March 2019). FCC funded training delivered by PACEY Cymru included a Completing your Quality of Care Report workshop in February 2019 (mentioned earlier). PACEY Cymru has also offered some regional training events which have been open to childminders from Flintshire, which include 'using Welsh in your setting' in Colwyn Bay (November 2018), a Foundation Phase event in Llandudno (March 2019), and a storytelling session in Wepre Park (March 2019).

The **Healthy Sustainable Pre-School Scheme (HSPSS)** is a national scheme managed by Public Health Wales and coordinated in Flintshire as an extension to the Healthy Schools Scheme. Pre-school settings actively work to promote and protect all aspects of health including: physical activity, nutrition & oral, emotional & social, safety, hygiene and the wellbeing of their staff. Between April 2018 and March 2019 4 settings joined the scheme including 1 playgroup, 2 Childminder's, 1 Cylch Meithrin, 3 settings have fully completed the Scheme bringing the total to complete the scheme to date to 15.

A further X 5 settings have been reassessed this year.

In addition to providing support to settings to complete the themes the HSPSS officer works in partnership with Design 2 Smile and the dieticians from Betsicadwalder as well as other agencies to offer relevant training and workshops to settings participating in the scheme.

Early Entitlement workforce development 2018 – 2019 has included: Foundation Phase 2-day training; Physical Literacy; Improving Outcomes; Safeguarding (Aftathought); Solihull Approach update; Communication Friendly Spaces. A number of these course were funded through the Early Years Pupil Development Grant.

Mudiad Meithrin have delivered training on Behaviour management, Using mathematics in the outdoor environment, 5 steps to healthy living, GDPR and Language immersion.

- **Promotion of level 2 and Level 3 courses amongst all settings**

Progress Report for Flintshire's Childcare Sufficiency Assessment March 2019

Early Years Wales has been working closely with Social Care Wales, Qualifications Wales, WJEC/City and Guilds in developing and promoting qualifications for the childcare sector.

Income from the FISF Training schedule 2017 – 2018 has been used to fund 19 candidates on the Transition to Playwork Award through Coleg Cambria.
