

IMPORTANT PARENT/GUARDIAN/PUPIL INFORMATION EMERGENCY SCHOOL CLOSURE NOTIFICATION PROCEDURE FOR FLINTSHIRE SCHOOLS. V13

Parents/guardians and pupils who have internet access

This is Flintshire County Council's current procedure for notifying parents/guardians and pupils when schools need to close at short notice due to adverse weather conditions or other emergencies. This procedure enables head teachers or nominated back up staff to enter emergency/unplanned school closure details directly onto the Flintshire Website at their earliest convenience via internet access. This ensures speed and accuracy of information, by having all emergency school closure notices in the one place. Parents etc. can then check the one source for all schools closed, especially where siblings are attending different schools. **(Please note schools may still use their own method also for supplying closure information i.e. School Website, Schools Call Voicemail, text service etc.)**

In order to find the Flintshire County Council webpage in times of severe weather emergencies etc. that could affect schools opening, please visit the website Home page www.flintshire.gov.uk. A link will direct you straight to the webpage with the full information details entered by the head teacher or the nominated back up staff.

www.flintshire.gov.uk/schoolclosures

Please Note: At **5.00PM** each day the information on the school closure website page will be deleted automatically. Head teachers from 5.30PM onwards, can then enter the next day's information regarding closure, if known in advance. Otherwise any new closure information will be entered early the following morning.

Parents/guardians and pupils without internet

Please refer to schools own procedures for notifying parents without internet access.

Email notification to parents/guardians/pupils

Flintshire County Council has set up additional assistance to parents/guardians/pupils who may wish to be notified by email of any school closures as soon as they are logged by the school on the Flintshire County Council website. To receive school closure email notification you will need to register your details and which schools you wish to be notified of on:-
