7	Summary of Potential Impact on the Community

1. Introduction

1.1 Flintshire County Council is carrying out a formal consultation on a proposal to close Ysgol Gymraeg Mornant, Picton as of 31st August 2016 with existing pupils transferring to other nearby schools subject to parental preference.

1.2 In this document the Council will:

- Summarise each of the issues in relation to community impact should the proposal be implemented

2.0 Background

2.1 Our aim is that children and young people in Flintshire will develop essential life skills, a strong desire for lifelong learning and be very well prepared for the world of work. All children and young people will be supported to progress through the different stages of their education. Every child and young person will be entitled to a learning programme that will be personalised to make the most of his or her abilities. Children and young people will learn in an exciting and innovative range of styles and settings. These will include vocational, enterprising, voluntary, spiritual, cultural and sporting learning experiences. School organisation will provide opportunities for Welsh and English medium provision, and also faith provision.

Flintshire County Council is committed to continuing to raise standards, with key tasks including securing:

- high expectations and a clear focus on improving teaching, learning and attainment in all school communities;
- all resources available to schools being focused on improving outcomes for children and young people in a context of annual budget pressures;
- a consistent approach to the collection, analysis and use of assessment information, including tracking systems, to target support and interventions; and
- continued commitment to the development of school staff.
- supporting, expanding and promoting Welsh-medium education within the whole community, increasing the number and percentage of pupils receiving Welsh-medium education in compliance with the Welsh Government's Welsh-Medium Education Strategy of developing learners who are fully bilingual (i.e. fluent in both English and Welsh) and where there is demand.

2.2 Flintshire County Council Cabinet approved the revised School Modernisation Strategy in January 2015, which was updated from the Council's previous strategy adopted by Cabinet in 2010.

- 2.3 The School Modernisation Programme is required because we need to:
- Ensure education provision is both high quality and sustainable
 - Improve the quality of school buildings and facilities
 - Provide the right number of school places, of the right type, in the right locations
 - Address unsustainable school buildings and supporting infrastructure
 - Recognise that doing nothing means higher pupil teacher ratios as funding reduces
 - Ensure that we maximise external funding through the Welsh Government's 21st Century Schools Programme
- 2.4 The key 'drivers' or criteria for modernisation which underpin the above are:
- Educational improvement
 - Resilient school leadership
 - Suitable buildings
 - Unfilled places
 - Diminishing resources
- 2.5 The proposal is to close Ysgol Gymraeg Mornant, Picton Road, Penyffordd, Near Holywell, Flintshire, CH8 9JQ (Welsh Medium, community school) as of 31st August 2016 with the pupils transferring to the local network of schools based on parental preference.
- 2.6 The proposal is put forward on the basis of criteria laid down in the Council's School Modernisation Strategy, namely:-
- Unfilled places across the primary school portfolio – Ysgol Gymraeg Mornant, Picton, as at January 2015 (PLASC) had 48 full time pupils with unfilled places at 57.76%. As at September 2015 the school is 44 full time pupils, with unfilled places at 60.36%; (based on the current school capacity assessment of 111 full time pupils);
 - Diminishing resource criteria (i.e. small numbers within the community raise concern regarding sustainability within the school's portfolio);
 - Small School – The school population of Ysgol Gymraeg Mornant, Picton is lower than national designation of a small school, additionally school numbers do not meet the minimum requirements of primary school models as noted in the Council's School Modernisation Strategy.
 - Ysgol Gymraeg Mornant, Picton is also currently (July 2015) in Welsh Government categorisation 4 (out of 1-4) with 4 being the lowest for standards.

3.1 The following sources of information have been used for the purposes of this document:

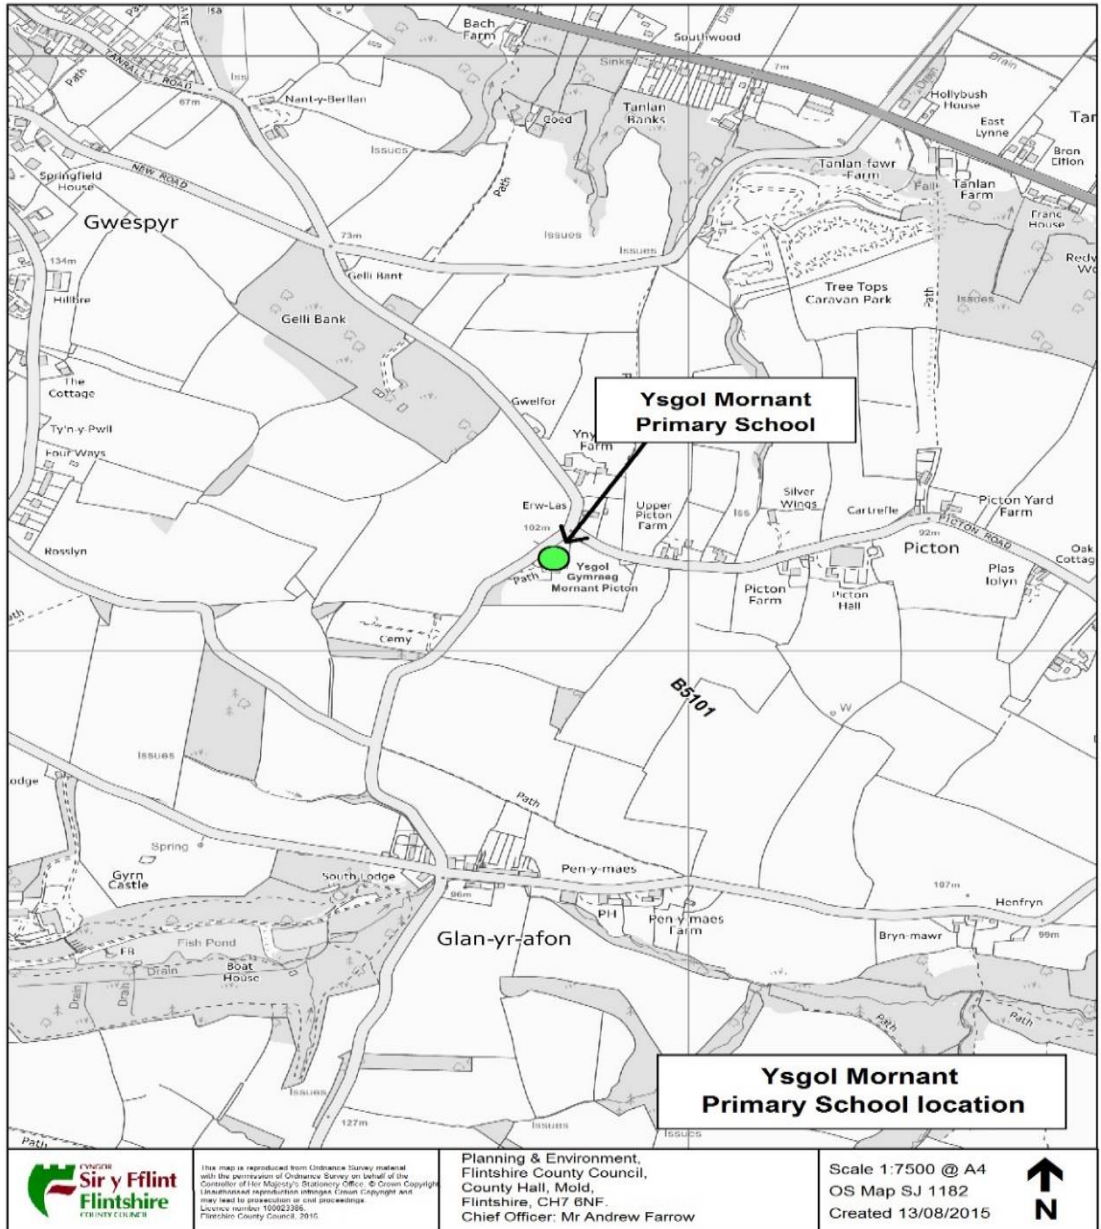

- Community Impact Questionnaire returned by the Acting Head teacher of Ysgol Gymraeg Mornant, Picton

- Statistical information stored by the Council;
- Pre consultation responses

4.0 Ysgol Gymraeg Mornant, Picton

4.1 Ysgol Gymraeg Mornant is located in the village of Gwespyr-Picton. Ysgol Mornant, is a Welsh Medium primary school for pupils aged 3-11 years of age.

4.2 Location of Ysgol Gymraeg Mornant, Picton

Pupil Numbers

- 4.3 As the current proposal relates to primary provision, should the proposal be implemented educational provision in Gwespyr Picton would cease. Parents/Carers would therefore need to seek alternative provision. The alternative provision has been identified of the basis of the same language designation for learners at Ysgol Gymraeg Mornant, Picton as follows:-

Ysgol Gwenffrwd, Holywell and

Ysgol Y Llys, Prestatyn (Denbighshire County Council)

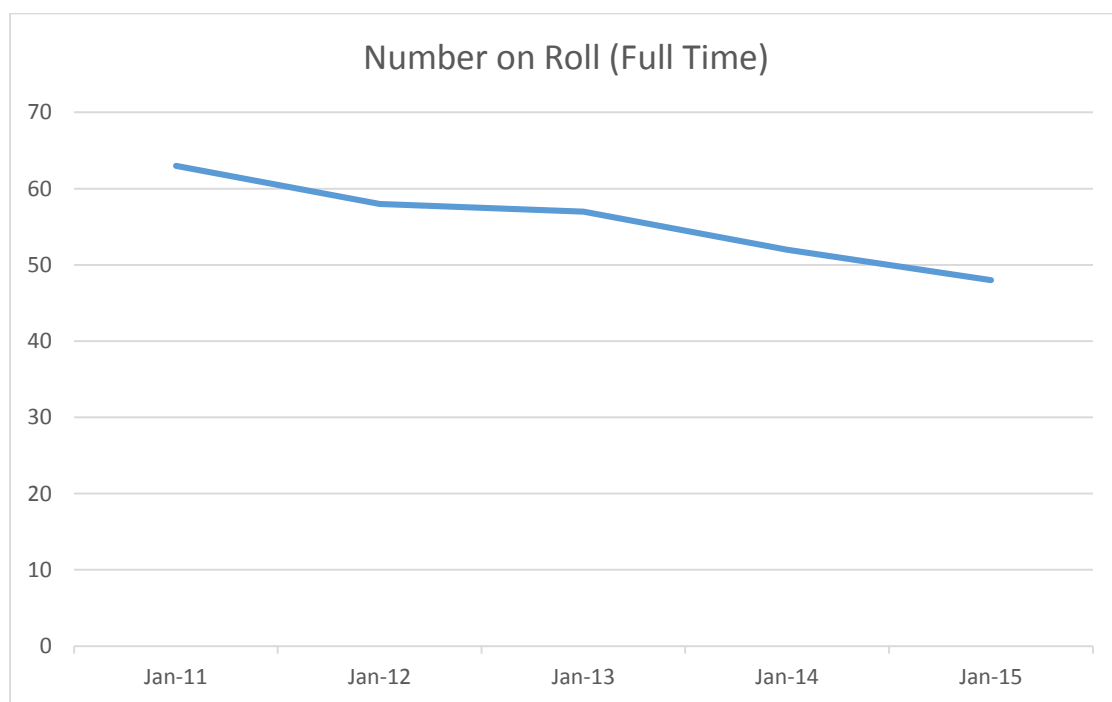

Ysgol Gwenffrwd, Holywell and Ysgol Y Llys, Prestatyn (Denbighshire County Council) are also Welsh Medium community primary schools for pupils aged 3-11. The Council acknowledges that parents/carers may also wish to choose alternative provision in the area. These schools have been identified within the formal consultation document.

4.4 As of January 2015 Ysgol Gymraeg Mornant, Picton has 48 Full Time pupils on roll. Pupil numbers over a 5 year period are displayed below:

The actual number of full time pupils on roll as at September 2015 has been verified with Ysgol Gymraeg Mornant, Picton and Flintshire School Management Information Team, the school has 44 Full Time pupils on roll.

Pupil Home Location

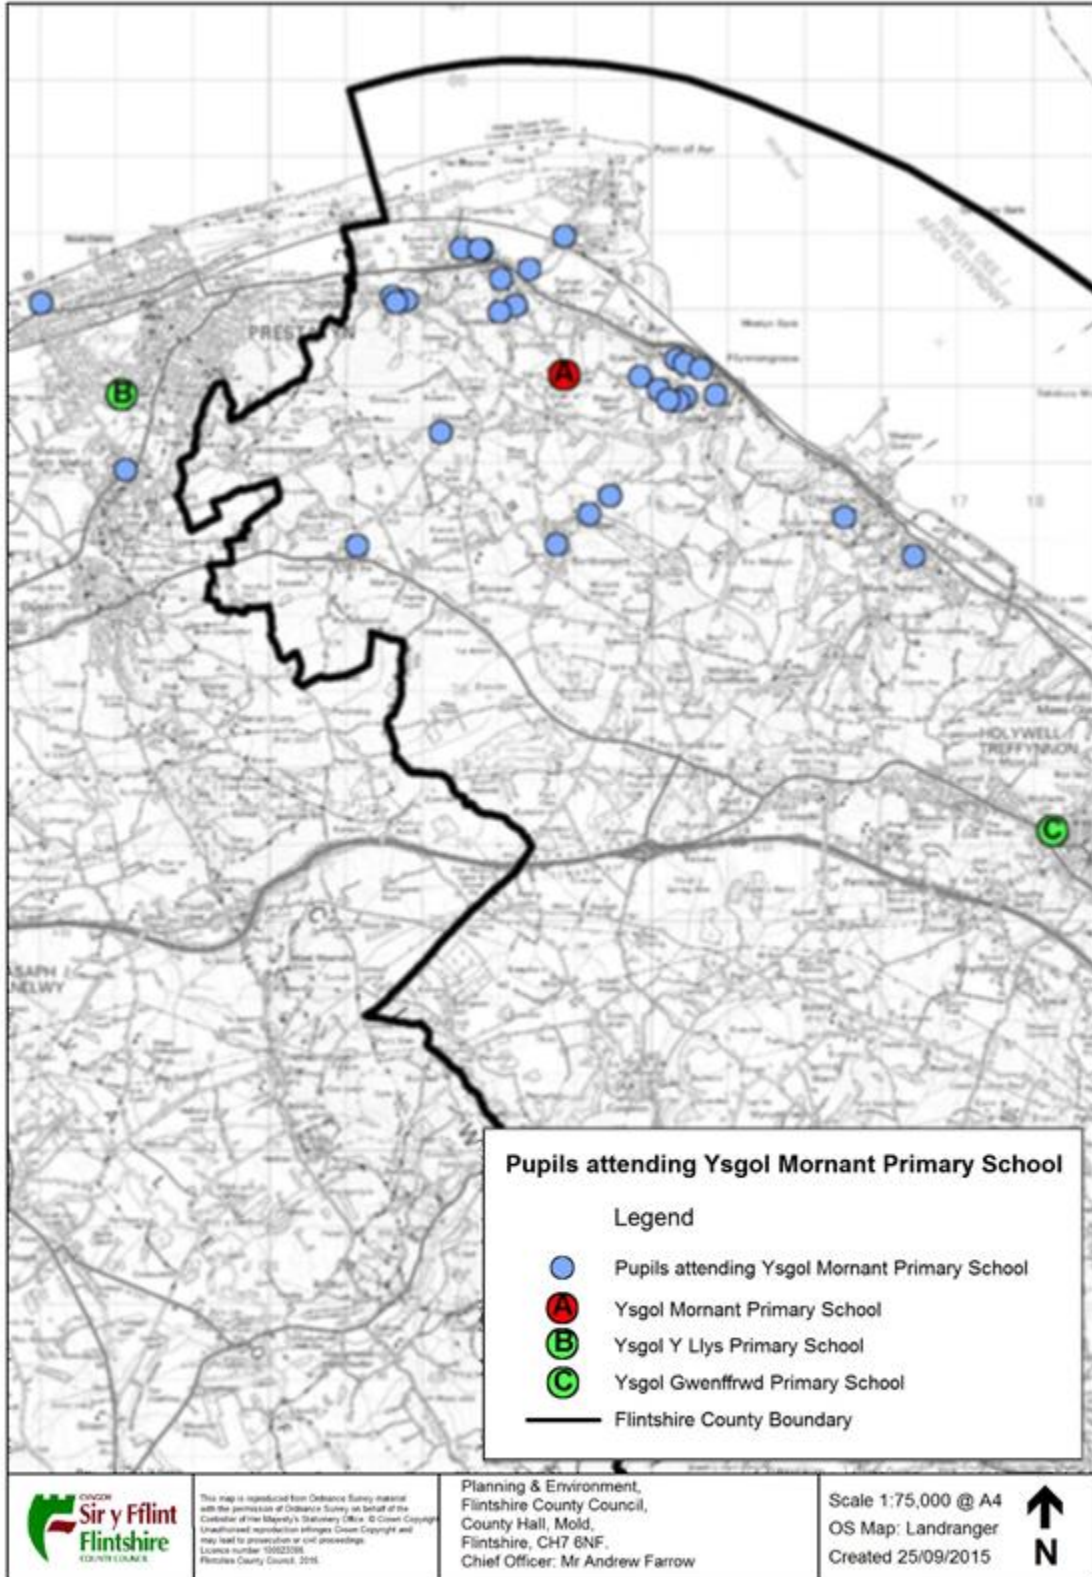

- 4.5 The Council's school admissions policy is based on the principle of attendance at the nearest suitable school, based on distance. The Council does not operate a system based on catchment areas. Schools are referred to as the 'nearest suitable school' which takes into account language and faith preference. Parents/carers may express a preference for any school for their child/children and as long as there are available spaces a place must be allocated.
- 4.6 In making this assessment, it is necessary to consider alternative schools (Ysgol Gwenffrwd, Holywell and Ysgol Y Llys, Prestatyn (Denbighshire County Council) as the named provision within the documentation) which the current pupils of Ysgol Gymraeg Mornant, Picton could attend.
