

Purchase a location / block plan

When a planning application is submitted it must be accompanied by location and block plans. The Geographic Information Services (GIS) Team can supply you with accurate up-to date plans which are centred on the application site. The plans we provide are based on the latest digital map data supplied by Ordnance Survey, the National Mapping Agency of Great Britain.

What can the OS plans be used for?

- Full and Outline Planning Applications
- Consent to Display Advertisements
- Listed Building Consent
- Hedgerow Regulations Act
- Householder Planning Applications
- Lawful Development Certificate Applications
- Conservation Area Consent
- Building Regulations

What is available?

- Location plans: Showing the proposed development in relation to surrounding properties. Scale: 1:1250 or 1:2500
- Block plans: Showing the proposed development in relation to its boundaries. Scale: 1:500

The OS plans are supplied in black and white on A4/A3 paper. Due to copyright laws you are not legally permitted to take any further copies yourself.

Cost (from April 2018)

The GIS Team can provide a set of twelve plans for a charge of **£30.00** comprising six location plans and six block plans which is suitable for most applications. Further price information is available on request. The charge covers the Ordnance Survey royalty fee and our service charge, including VAT at 20%.
