

Holiday Hunger Programme – Summer 2018
“Share Your Lunch / Rhannwch eich cinio.” Flintshire
County Council in partnership with local town and
community councils and Welsh Government

At this playscheme site for 6 weeks of the summer holidays - 23rd July to the 31st August (Monday to Friday) except for Bank Holiday Monday, 27th August, 2018

Flintshire County Council is about to roll out a Holiday Hunger Programme – “Share Your Lunch / Rhannwch eich cinio.” This programme is one objective which Flintshire is looking to develop as part of its food poverty strategy and action plan.

Flintshire County Council, in partnership with Betsi Cadwaladr University Health Board, Clwyd Alyn Housing Association and Travis Perkins is taking a stand on food poverty.

For children who access free school meals a hot meal is provided each school day during term time. During the six week summer holidays, this is not available to them.

To help combat this unacceptable situation, Flintshire County Council and its partners have joined forces with “Can Cook” to launch an ambitious programme “Share Your Lunch” which will aim to provide around 800 meals a day over the six week summer holiday period to play schemes throughout Flintshire. This is huge undertaking and a first for the region.

Share Your Lunch’s summer campaign will help us ensure that as many as children as possible return to school well fed, engaged and ready to learn.

Locations have been identified in line with free school meals data to target areas where the lack of a free school meal will be most significant, these are listed below:-
