

What is important to

- My family and friends are really important to me, my granddaughters are so beautiful and I love them with all my heart and we have recently welcomed a new grandson into our family, he is adorable.
- I love animals, my 2 cats are part of my family and we have just welcomed a black & white border collie called Tess into our fold.
- I relax by walking, it helps me think things through and clears my mind
- Reading is important to me, it helps me escape into another world.
- I also like to 'tweet' in the evenings and catch up with friends on 'Facebook'. This keeps me up to date with what is happening in my community.
- I love to listen to music and enjoy concerts and musical theatre
- Football is my passion especially watching the 'Blue Boys' of Everton
- I am proud of the support I give my local community, my role as an elected member of Flintshire County Council is very important to me.

How best to support

- I am a positive happy person and I need to be surrounded by positive people, negativity drains me. Please be happy and upbeat around me.
- I thrive on being part of a team, lets discuss ideas together and show appreciation of each other's work
- Be honest with me, if you disagree with something I've said let me know, I prefer this approach
- Treat me and everyone equally, injustice upsets me
- Give me opportunities to learn new things or visit new initiatives. This will improve the quality of my work and enhance my local knowledge.
- I am busy but if contacted by email or twitter respond quickly
- Give me lots of notice if you would like my attendance at an event, my diary gets booked up and I dislike letting people down.
- Understand that I am a trustworthy person and I will treat any approaches to me with the upmost confidence
