**9.30am – 12.45pm, followed by lunch and networking time**  
**Working in partnership and Sponsored by Airbus**

*2 out of 3 of us can expect to be carers at some point in our lives*

*Carers are people who take responsibility for the care of a relative or friend, who cannot manage without help, due to illness, disability or the effects of old age.*

*Carers who are in employment face additional challenges.*

*The aim of this conference is to explore how we can support both employers and carers in the work place, inform you of the services that are available within the county to support carers and give you as an employer the opportunity to ask questions to experts in this field.*
