Anyone who is medically certified as having a severe impairment of their intellectual or social functioning, that appears to be permanent, may be eligible to a Council Tax discount. This means that the person will have a permanent condition that severely affects their intellectual and social functioning.

Conditions that can lead to Severe Mental Impairment (SMI) include Alzheimer's disease and other forms of dementia, Parkinson's disease, severe learning difficulties or a stroke, but many others may apply. To be eligible, the person must be diagnosed as SMI by a doctor and must also be entitled to one of the benefits listed on this form (whether receiving them or not).

Level of reduction:

- If you have been diagnosed as SMI by a doctor and you are living alone or only with others who are SMI, you will be exempt from paying Council Tax.
- If you have been diagnosed as SMI by a doctor and you live with one adult who is eligible to pay council tax, your household will receive a 25% reduction.
- If you have been diagnosed as SMI by a doctor and you live with 2 or more adults who are eligible to pay council tax there will be no reduction.
