a better way for everyone to get around

You can make all sorts of journeys you never could before, thanks to the community based flexible approach to rural bus transport that the fflecsi service offers. Using fully accessible buses, fflecsi is there for you 0915 – 1800 Monday to Friday and 0915 - 1300 on a Saturday, for appointments, for shopping, meeting friends or connecting with other bus services in Holywell and Caerwys.

where to go

Within the zone, fflecsi will pick you up from where you like and drop you off where you want to go and bring you back again. As the bus doesn't run to a fixed route or timetable, the route will vary depending on who else has booked at similar times with similar destinations.

easy to book

The biggest difference between traditional bus services and fflecsi is that you need to book to use it. You can book single or multiple trips on the app where you can track your bus too, or book online or by phoning our friendly call centre on 0300 234 0300.

what ticket do I need?

Like any bus, you can buy an adult single ticket from your driver for a little as £2.50 and £1.50 children, concessionary card holders travel free and young person's mytravelpass is also valid.
