

**Notice of Extension of Temporary Prohibition of Pedestrians Order
Road Traffic Regulation Act 1984 – Section 14
Flintshire County Council (Public Footpath No. 38 in the Community of
Buckley) (Temporary Prohibition of Pedestrians) Order 2022**

The above Order came into force from the 9 December 2022 for a period of 6 months, until and including 9 June 2023, the order has since been extended with the approval of the Welsh Government until and including 8 June 2024.

Notice is now hereby given that the said Order made by Flintshire County Council on the 6 December 2022 is extended with the approval of the Welsh Government and will continue in force until and including 8 December 2024, or until works are completed, whichever is earlier.

The effect of the Order is that no person shall proceed in using that section of Public Footpath No.38 in the Community of Buckley from a point at NGR 329568 363512 for an approximate distance of 45 metres across the Wrexham to Bidston Railway Line to a point at NGR 328581 363474.

The reason for the continued closure is due to the likelihood of increased danger to members of the public using this route due to additional timetable services. The closure is on the grounds of safety whilst measures to permanently address the risks are progressed with associated works by Network Rail.

The alternative route available is an already existing level crossing approximately 100 metres south of the footpath closure.
