Background

- 1.1** This Licensing Policy Statement is issued as required by the Licensing Act 2003 ('the Act') **in line with the Home Office and Department of Culture, Media, and Sport (DCMS) guidance , including the most recent statutory guidance issued under Section 182 of the Licensing Act 2003.** This document sets out the policies that the Council as Licensing Authority will follow when making decisions upon applications for:
- ▶ The sale by retail of alcohol
 - ▶ The supply of alcohol by or on behalf of a club to, or to the order of a member of the club
 - ▶ The provision of late night refreshment (supply of hot food or drink from a premises between 23:00 and 05:00 hours)
 - ▶ The provision of regulated entertainment to the public or club members or with a view to making profit including raising money for charity where the entertainment involves:
 - a) a performance of a play;
 - b) an exhibition of a film;
 - c) an indoor sporting event;
 - d) a boxing or wrestling entertainment;
 - e) a performance of live music;
 - f) any playing of recorded music;
 - g) a performance of dance;
 - h) entertainment of a similar description to that falling within paragraph e, f or g.
- The entertainment falls within the requirements when it takes place in the presence of an audience and is provided for the purpose or includes the purpose of entertaining that audience.
- 1.2** Incidental live and incidental recorded music will not be regarded as regulated entertainment. The Licensing Authority will give the word "incidental" its ordinary and natural meaning when making judgements about whether activities are licensable.
- 1.3** Spontaneous music, singing and dancing is not included in the definition of regulated entertainment and any occurrences of it will be assessed in accordance with the Act.
- 1.4** Guidance on the procedures to be followed by applicants and objectors is included in Appendix A of this document.
- 1.5** **The Licensing Authority recognises that certain forms of entertainment are exempt from the licensing requirements of the Licensing Act 2003. These exemptions**

include a range of live and recorded music, plays, dance performances, indoor sporting events and other activities prescribed by legislation. As the scope of these exemptions may be amended from time to time, they are not reproduced in this Policy. Applicants and licence holders should refer to the Licensing Act 2003 and Home Office Guidance issued under section 182 of the Act for the current position.

2.0 | Scope and Extent of the Licensing Act

- 2.1** It is the duty of the Licensing Authority to carry out its functions under the Act with a view to promoting the licensing objectives which are:
- ▶ the prevention of crime and disorder
 - ▶ public safety
 - ▶ the prevention of public nuisance
 - ▶ the protection of children from harm

The Licensing Authority acknowledges that each objective is of equal importance and that there are no others.

It is recognised that the licensing function cannot operate in isolation in the delivery of the above objectives. The Licensing Authority will therefore continue to work in partnership with its local communities, the police, local businesses, the Community Safety Partnership and all other relevant stakeholders. The Licensing Authority acknowledges that the private sector and local residents and community groups have as equally a vital role as public bodies.

- 2.2** In undertaking its licensing function, any licensing authority is also bound by other legislation, examples of which are set out below:
- ▶ Section 17 of the Crime and Disorder Act 1998 requires a local authority to do all that it reasonably can to prevent crime and disorder in its locality
 - ▶ The European Convention on Human Rights, which is given effect by the Human Rights Act 1998 places a duty on public authorities to protect the rights of individuals in a variety of circumstances
 - ▶ Health and Safety at Work Act 1974
 - ▶ Environmental Protection Act 1990
 - ▶ The Anti-social Behaviour Act 2003
 - ▶ The Local Authorities (Alcohol Consumption in designated Public Places Regulations) 2007
 - ▶ The Health Act 2006 and the Smoke-free Premises etc. (Wales) Regulations 2007 and The Public Health Wales Act 2017
 - ▶ Gambling Act 2005
 - ▶ Data Protection Act 2018
 - ▶ The Violent Crime Reduction Act 2006
 - ▶ The Equalities Act 2010 (including the Public Sector Equality Duty)
 - ▶ Police Reform and Social Responsibility Act 2011
 - ▶ The Live Music Act 2012
 - ▶ Anti-Social Behaviour, Crime and Policing Act 2014
 - ▶ The Wellbeing of Future Generations Act 2015

Where existing law already places statutory obligations on applicants, the Council will not impose the same or similar duties by way of licence conditions. The Licensing Authority will also seek to discharge its responsibilities identified by other Government Strategies, so far as they impact on the objectives of the Licensing Act.

Examples of these strategies will include relevant current local, regional and national strategies or policies relating to community safety, public health, enforcement and the night-time economy, as updated from time to time

- 2.3** The Licensing Authority would also draw attention to, and is supportive of, existing initiatives that are relevant to licensing, for example:
- ▶ Proof of age schemes
 - ▶ CCTV coverage of town centres
 - ▶ Public Space Protection Orders
 - ▶ Pubwatch schemes
 - ▶ Off-watch Schemes
 - ▶ Flintshire Local Development Plan
 - ▶ North Wales Alcohol Harm Reduction Strategy – Calling Time for Change’ (see Appendix B)
 - ▶ The ‘Get Home Safe’ initiative
 - ▶ BCUHB Drugs and Alcohol Health Needs Assessment
- 2.4** The objective of the licensing process is to allow the carrying on of retail sales of alcohol and the provision of licensable activities in a way which ensures public safety and which is neither to the detriment of residents, nor gives rise to loss of amenity. It is the Licensing Authority’s wish to facilitate well run and managed premises with licence holders displaying sensitivity to the impact of the premises on local residents.
- 2.5** The Licensing Authority recognises that the entertainment industry in Flintshire is a significant contributor to the local economy. It attracts tourists and visitors, makes for vibrant towns and communities and is a major employer. Commercial occupiers of premises also have a legitimate expectation of an environment that is attractive and sustainable for their businesses. But there must be a balance with the needs of the residential population, whose amenity the Licensing Authority has a duty to protect.
- 2.6** The Licensing Authority will also have regard to wider considerations affecting the amenity of any area. These include littering and fouling, noise, street crime and the capacity of the County’s infrastructure, resources and police resources to cope with the influx of visitors, particularly at night.
- 2.7** The Licensing Authority has adopted this policy, which sets out the general approach it will take when it acts as Licensing Authority in considering applications

for premises licences. In adopting this policy, the Licensing Authority recognises that each application will be considered on its merits.

- 2.8** The Licensing Authority recognises the need to encourage and promote live music, dancing and theatre for the wider cultural benefit of communities, and in particular, children. In determining conditions to be attached to licences and certificates the Licensing Authority will avoid measures which deter opportunities for cultural activities by imposing indirect costs.
- 2.9** The Council may seek premises licences in its own name for public spaces such as market squares, pedestrianised streets, etc. in order that community activities can take place easily. In such defined places, performers and entertainers would not need to obtain a licence themselves or issue any temporary event notices. They would simply seek permission from the Council as the premises licence holder. (The Council would not be seeking authority to permit the sale or supply of alcohol for these areas).
- 2.10** The purpose of the Statement of Licensing Policy is to assist Officers and Members in reaching a decision on a particular application, setting out those matters that will normally be taken into account. In addition, the Policy document seeks to provide clarity for applicants, residents and other occupiers of property and investors, enabling them to make plans to move to, remain or invest in the County with some measure of certainty.
- 2.11** **The Licensing Authority recognises the role of licensing in supporting safe, sustainable and vibrant communities.**
- In exercising its functions, the Authority will seek to balance the promotion of the four licensing objectives with the need to support well-managed premises and appropriate economic activity. The Authority will have regard to:**
- **The statutory guidance issued under Section 182 of the Licensing Act 2003;**
 - **The National Licensing Policy Framework for the Hospitality and Leisure Sectors (England and Wales)**
 - **The Well-being of Future Generations (Wales) Act 2015;**
Relevant local strategies relating to community safety, public health, environmental protection, noise and soundscapes..
- 2.12** The Licensing Act 2003 makes provision for this policy to be consulted on and reviewed at least every five years. Accordingly, this Policy will be reviewed no later than December 2031. Interim revisions may be made to it, for example, following feedback from the local community on whether the licensing objectives are being met.
- 2.13** The Council will also monitor the impact of licensing on regulated entertainment to ensure that cultural events are not being deterred by unnecessary, disproportionate or unreasonable licensing conditions. The Council's Arts Development Officers will be included in consultation on this.

- 2.14** The policy will normally apply to any licence application determined after the date that the Council resolves to make the policy operational, irrespective of the date on which the application was made. The Licensing Authority will only depart from the policy, if individual circumstances of the case merit it, in the interest of the licensing objectives. Full reasons for such a departure will be given.

This policy applies to the following categories:

- ▶ Premises Licenses
- ▶ Club Premises Certificates
- ▶ Personal Licences
- ▶ Permitted Temporary Activities (Temporary Event Notices)

- 2.15** In the case of premises requiring a Premises Licence or Club Premises Certificate the Licensing Authority may select appropriate and necessary conditions from the DCMS or Institute of Licensing pool of conditions. These conditions will be appropriate to the nature of the activities specified in the operating schedule, and reflect the four licensing objectives set out at paragraph 1.5 above.

- 2.16** Following a Notice of Motion approved by Flintshire County Council on 3rd April 2025 regarding Cannabis Based Products for Medicinal Use (CBPM), the Council has agreed to formally recognise the rights of CBPM patients and will make reasonable adjustments to accommodate their needs in accordance with the Equality Act 2010. It is important to note that those taking prescribed CBPMs will have and carry with them a medical prescription and the CBPM will also be clearly labelled as would any other prescribed drug. Premises Licence Holders are asked to familiarise themselves with the Cannabis Industry Council Guidance for Tenants and Landlords, 'The Use of Prescription Cannabis in Buildings'.

3.0 | Licensing Objectives

Introduction

Within the context of promoting the four licensing objectives, the Licensing Authority expects applicants to propose licensing conditions to mitigate the impact their premise may have on the health and well-being of their customers, the neighbourhood and the wider community.

Crime and Disorder

The Statement of Licensing Policy and the procedures and conditions that form part of the process should promote the Licensing Objectives

- 3.1** The Licensing Authority will have regard to the Crime and Disorder Act 1998 under which it has a duty to prevent / reduce crime and disorder in the area. Conditions attached to premises licences and club premises certificates will, so far as possible, reflect local crime prevention strategies, e.g. the provision of CCTV cameras in certain premises.
- 3.2** One of the key priorities of the Flintshire Crime and Disorder Reduction Partnership is to reduce the level of crime in specified areas. The policy will have regard, therefore, to the likely impact of licensing on related crime and disorder in the Council's area, particularly when considering the location and impact and the operation and management of all proposed licence applications, renewals and variations of conditions.
- 3.3** The Licensing Authority will have due regard to the representations of North Wales Police which is one of the Responsible Authorities that will be consulted regarding premises licence and club premises certificate applications, and Temporary Event Notices.
- 3.4** Flintshire County Council are a signatory to the Licensed Premises Review Procedure between North Wales Police and the six North Wales Licensing Authorities, as shown in Appendix A.

Drugs

- 3.5** Within the context of promoting the licensing objectives for preventing crime and disorder and ensuring public safety, the Licensing Authority expects applicants and licensees to:
 - ▶ Take all reasonable steps to prevent the entry of drugs into licensed premises
 - ▶ Take all reasonable steps to prevent drugs changing hands within the premises

- ▶ Train staff to recognise understand the signs of drug misuse in people so that practical steps can be taken to deal with instances that occur
- ▶ Have appropriately trained staff to deal with drug related incidents
- ▶ Display appropriate drug safety awareness information to customers
- ▶ Provide first aid equipment in all venues, and a first aid room in larger venues. Consideration should be given to providing a defibrillator in larger venues
- ▶ Deploy staff trained to assist with medical incidents
- ▶ Implement an appropriate banning policy

3.6 The Licensing Authority expects applicants and licence holders to take appropriate steps to ensure the safety and welfare of customers, including the prevention and detection of drink spiking and the protection of vulnerable individuals.

Door Supervisors

3.7 The Licensing Authority, upon receipt of relevant representations, may consider that certain premises require supervision for the purpose of promoting the reduction of crime and disorder, and to generally contribute to safe operation of the premises. In such cases, the Licensing Authority may impose a condition that licensed door supervisors (Security Industry Authority) must be employed at the premises either at all times or at such times as certain licensable activities are taking place, and at a number and ratio to be determined by the Licensing Authority.

3.8 Stewards and other persons whose role is to provide advice about and ensure the safety of those visiting the premises are not deemed to be carrying out a security activity and need not be registered with the Security Industry Authority.

Late Night Refreshment

3.9 Premises selling hot food or drink between 11.00 pm and 5.00 am will need to be licensed. The key licensing objectives in connection with this activity are the prevention of crime and disorder and public nuisance. Where provision of hot food and drink is a secondary activity in licensed premises open for other activities, then the primary licence conditions will adequately cover the activity. The requirements will not normally be applied to convenience stores / garage shops and similar premises unless crime and disorder or public nuisance becomes an issue.

Industry Partnership Schemes

3.10 The Licensing Authority would encourage active participation in schemes such as Pubwatch, Off-Watch, Best Bar None (if available in the area) as contributing to the prevention of crime and disorder licensing objective.

PSPO's

- 3.11** Public Space Protection Orders (PSPO's) are one of a number of powers introduced by the Anti-Social Behaviour, Crime and Policing Act 2014. They are designed to stop individuals or groups committing anti-social behaviour in a public space which is having or is likely to have a detrimental effect on the quality of life of people in the area. The behaviour must be unreasonable and persistent or continuing in nature.

Since 2017 Flintshire County Council have had in place an alcohol control Public Space Protection Order.

The prohibitions, which apply throughout the county, are as follows:

- (a) any person who, without reasonable excuse, continues drinking intoxicating liquor in a public area within the Restricted Area (which is the county of Flintshire) when asked to stop by an authorised officer, commits an offence.
- (b) any person who whilst in a public area within the Restricted Area, without reasonable excuse, fails to surrender any intoxicating liquor in their possession when asked to do so by an authorised officer, commits an offence.
- (c) an authorised officer who imposes a requirement under Article 4(a) and/or 4(b) above must tell the person that failing, without reasonable excuse, to comply with the prohibition and/or requirement is an offence.

Irresponsible Promotions

- 3.12** Banning the irresponsible promotion of alcohol in on-licensed premises was one of five measures brought in by Government in 2010. The others were banning the dispensing of alcohol directly into the mouths of customers; making free tap water available; ensuring age verification policies are in place and offering smaller servings of beer, wine and spirits.
- 3.13** In Flintshire the decision on what is and is not an irresponsible promotion will be made on a case by case basis taking all the circumstances into account and with reference to other Responsible Authorities when necessary.

Late Night Levy

- 3.13** Changes in primary legislation through the Police Reform & Social Responsibility Act 2011 provided the potential for the Authority to adopt an additional local power to assist in the control of the effect of the Late Night Economy on the local community. Flintshire County Council do not currently charge a Late Night Levy.

Early Morning Restriction Orders

- 3.14 Early Morning Restriction Orders (EMRO) are seen as a tool for potential use by the Authority to readjust the focus of the night time economy away from problem drinking, if such measures would promote the Licensing Objectives.

Public Safety

- 3.14 The Licensing Authority wishes to promote high standards of public safety in relation to premises and activities within the scope of the Licensing Act 2003.
- 3.15 The Department of the Council which enforces health and safety in relevant premises may be consulted as a Responsible Authority and may also act as Authorised Persons for enforcement purposes under the Licensing Act 2003.
- 3.16 The Licensing Authority recognises that general health and safety duties will not always adequately cover specific issues that arise in premises in connection with certain entertainments and therefore conditions may need to be attached to a licence/certificate.
- 3.17 Where activities are organised by volunteers or a committee of a club or society, the Licensing Authority considers it good practice that the same level of health and safety protection is provided as if an employer / employee relationship existed, irrespective of whether there are strict legal duties applicable under the health and safety legislation.
- 3.18 The Licensing Authority will encourage licence holders to provide facilities enabling the admission of people with disabilities. No conditions will be applied which could be used to justify exclusion on the grounds of public safety. Any licence condition imposed to prohibit pets for public safety reasons will not apply to guide or assistance dogs.

Fire Safety

- 3.19 The Licensing Authority will have due regard to the representations of North Wales Fire and Rescue Service which is one of the Responsible Authorities that will be consulted regarding premises licence/ club premises certificate applications, renewals and variations.
- 3.20 North Wales Fire & Rescue Service may select appropriate and necessary conditions in relation to fire safety matters.

- 3.21** The Licensing Authority, upon receipt of relevant representations will include in a premises licence / club premises certificate an occupant capacity where necessary for public safety. This figure will be arrived at in consultation with North Wales Fire and Rescue Service.
- 3.22** Where applicants wish to rely on the provisions of Section 177 of the Licensing Act 2003 (as amended), relating to the performance of live music and dancing in premises with a capacity of not more than 500 persons, the Licensing Authority may consult with North Wales Fire and Rescue Service.
- 3.23** Flintshire County Council is a signatory to the protocol between North Wales Fire & Rescue Service and the six North Wales local authorities.

Prevention of Public Nuisance

- 3.24** When considering public nuisance the Licensing Authority will take account of:-
- ▶ Noise from premises - including that caused by patrons smoking outside
 - ▶ Waste
 - ▶ Litter - including smoking related litter
 - ▶ Car Parking
 - ▶ Light pollution
 - ▶ Noxious smells

The Licensing Authority will take the broad common law meaning of public nuisance when making its judgements on applications and reviews of premises licences / certificates.

- 3.25** In considering the potential impact of licensed premises on the surrounding locality the Licensing Authority will take into account the type of entertainment activity, proposed hours of operation, the capacity of the premises and the character of the area and proximity to local residents.
- 3.26** The Licensing Authority will use the recognised pool of licence conditions to control noise from existing premises and to advise developers on the required noise attenuation for new premises. Stricter conditions with regard to noise control may be imposed in areas where the premises are near residential property.
- 3.27** The Pollution Control Section of the Council's **Community and Business Protection Service** will act as a Responsible Authority and will be consulted on matters relating to the prevention of public nuisance. Regard may be had to relevant professional guidance, including the Institute of Acoustics Good Practice Guide on the Control of Noise from Pubs and Clubs (current edition), and relevant Welsh Government policy relating to noise and soundscapes, including the Noise and Soundscape Plan for Wales. The Authority will have regard to the importance of achieving appropriate soundscapes, where relevant to the exercise of its licensing

functions and the promotion of the licensing objectives. The Licensing Authority will balance the potential for limited disturbance in neighbourhoods with the need to encourage and promote live music, dancing and theatre.

- 3.28** The Licensing Authority acknowledges the powers that the Police hold to issue a Closure Order on individual licensed premises that are causing a nuisance as a result of noise emitted and would encourage the Police to use such powers wherever appropriate and inform the Licensing Authority in the event of such action.
- 3.29** The above powers are also available to Pollution Control Officers by the Anti-Social Behaviour Act 2003. Such powers will be used when deemed necessary and in accordance with the legislation.
- 3.30** The Licensing Authority will not impose conditions on licensed premises that the licensee cannot directly control, or on matters not related to the immediate vicinity of the premises.
- 3.31** When considering applications for licences or reviews of licences, the Licensing Authority will take a common sense view on whether the individual or business making representations is located “in the vicinity” of the premises concerned and therefore likely to be directly affected by disorder and disturbance.
- 3.32** Noise and disturbance arising from the behaviour of patrons that have left the premises are matters for personal responsibility and are subject to Police enforcement of the normal law concerning disorder and anti-social behaviour.
- 3.33** Notwithstanding the previous paragraph, it is the view of the Licensing Authority that the Designated Premises Supervisor holds the responsibility for ensuring that patrons who may be outside their premises for smoking related purposes do not create public nuisance.

Protection of Children from Harm

- 3.34** The Licensing Authority recognises the great variety of premises for which licences may be sought. These will include, for example, theatres, cinemas, restaurants, pubs, night-clubs, cafes, take-aways, community halls and schools. Access by children to all types of premises will not be restricted in any way apart from as specified in the Licensing Act 2003, unless it is considered necessary to do so in order to protect them from harm in some way (i.e, physical, moral or psychological harm).
- 3.35** When considering applications for premises licences or club premises certificates, the Licensing Authority will take into account the history of a particular premises and the nature of the activities proposed to be provided when considering any options appropriate to prevent harm to children, for example:
- ▶ Where there have been convictions of members of the current staff for serving alcohol to minors or with a reputation for underage drinking

- ▶ With a known association with drug taking or dealing
- ▶ Where there is a strong element of gambling on the premises (but not the simple presence of a small number of cash prize gaming machines)
- ▶ Where entertainment or services of an adult or sexual nature are commonly provided, e.g. topless bar staff, striptease, lap-dancing, table-dancing or pole-dancing, strong and offensive language or imagery. (see also paragraph 20)
- ▶ Where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided.

The Licensing Act 2003 makes it an offence to permit children under the age of 16 who are not accompanied by an adult to be present on premises being used exclusively or primarily for the supply of alcohol for consumption on those premises.

The Licensing Authority will give the term “exclusively or primarily” its ordinary and natural meaning in the context of the particular circumstances. The Licensing Authority will consider the individual merits of each application.

3.36 Where the circumstances described in 6.2 exist then conditions may be attached to the licence to protect children from harm. Such conditions may include:

- ▶ Requirements for the production of proof of age cards
- ▶ Limitation on the hours when children may be present
- ▶ Age limitations (below 18)
- ▶ Limitations or exclusions when certain activities take place
- ▶ Restrictions or exclusions in respect of parts of premises
- ▶ Full exclusion of people under 18 from the premises when any licensable activities are taking place
- ▶ Requirements for adult supervision

As a general principle the Licensing Authority will not attach conditions to premises licences or certificates requiring the admission of children. This will be left to the discretion of the venue operator.

3.37 Where the exhibition of films is permitted the authority will expect age restrictions to be complied with in accordance with the British Board of Film Classification recommendations. This is a mandatory condition in the Licensing Act 2003 for premises admitting children to the exhibition of any film.

3.38 The Licensing Authority recognises the requirement in the Act for children under the age of 16 to be accompanied by an adult. In circumstances where large numbers of unaccompanied children are likely to be present on certain licensed premises, for example at a children’s show or pantomime, then to ensure public safety and the protection of children from harm, the ratio of adults required to supervise children will be in accordance with Annex H, Section 182 Guidance to the Licensing Act 2003 or such other ratio that a responsible authority may recommend.

- 3.39** No films shall be exhibited at licensed premises which are likely to:
- ▶ Lead to disorder
 - ▶ Stir up hatred or incite violence towards any section of the public on grounds of colour, race or ethnic or national origin, language, disability, religious beliefs, sexual orientation or gender.
- 3.40** With general reference to the protection of children from harm, the Licensing Authority will regard the Social Services for Children Department of the Community Services Directorate as the Responsible Authority competent to respond on matters relating to children and harm.
- 3.41** It is expected by the Licensing Authority that operating schedules submitted as part of applications shall contain enough detailed information so that a proper view as to what measures may be necessary to protect children from harm can be determined.
- 3.42** Please see paragraph 15 below for more detailed information on control of Sexual Entertainment Venues

Public Health

- 3.45** The Local Health Board is responsible for making representations and observations on licence applications. Public health is not a licensing objective but the licensing authority believes that public health has much to add to licensing in relation to the local populations' alcohol related health needs. Health bodies such as Public Health have unique access to data not available to other responsible authorities which may inform licensing decisions. Public Health is useful in providing evidence of alcohol related health harms.
- 3.46** The Licensing Authority will have regard to the most recent available evidence on alcohol-related harm and public health in Wales, including data published by Public Health Wales and the Welsh Government

4.0 | Cumulative Impact

- 4.1** This relates to the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area.
- 4.2** The Licensing Authority does not consider that at the time of publication of this Statement of Licensing Policy there are areas in Flintshire where cumulative impact poses a significant problem.
- 4.3** However, the Licensing Authority wishes to remain alive to the possibility of such impact occurring.
- 4.4** Through liaison with local residents and Responsible Authorities the Licensing Authority may therefore conclude in the future, that a particular part of its area is considered to be causing a cumulative impact on one or more of the licensing objectives.
- 4.5** A special policy of refusing new licences will therefore be adopted when there is an evidential basis for it from Responsible Authorities, interested parties or other bodies such as Crime and Disorder Reduction Partnerships.
- 4.6** The Licensing Authority will follow the steps detailed in the revised Home Office Guidance when adopting a special policy.
- 4.7** This will create a rebuttable presumption that applications for new premises licences, club premises certificates or material variations will normally be refused, unless it can be demonstrated that the operation of the premises involved will not add to the cumulative impact already being experienced.
- 4.8** The special policy will not, however, be absolute. Each application will be considered on its merits and licences or certificates that are unlikely to add to the cumulative impact on the licensing objectives may be granted. The different styles and characteristics of premises will be taken into account.
- 4.9** Special policies will not be used as a ground for revoking an existing licence or certificate, nor for rejecting applications to vary an existing licence except where those modifications are directly relevant to the policy and strictly necessary for the promotion of the licensing objectives.
- 4.10** A special policy will not be used to impose fixed closing times in a particular area, or to impose quotas – based on either the number of premises or the capacity of those premises.

- 4.11** Other mechanisms will also be used for controlling cumulative effect, for example:
- ▶ provision of CCTV
 - ▶ prohibitions on consuming alcohol in designated public areas
 - ▶ police enforcement of the general law concerning disorder and anti social behaviour
 - ▶ enforcement of legislation on selling alcohol to people who are drunk
 - ▶ confiscation of alcohol from adults and children in designated areas
 - ▶ use of the police temporary closure powers
 - ▶ ability for the Police, Responsible Authorities, residents and businesses to seek review of premises licences or club premises certificates.

5.0 | Planning and Building Control

- 5.1 The Planning, Building Control and Licensing regimes in Flintshire will be properly separated to avoid duplication and inefficiency.
- 5.2 Applications for premises licences for permanent commercial premises should normally be from businesses with planning consent for the property in question. However, applications for licences may be made before any relevant planning permission has been sought or granted by the **Local Planning Authority**.
- 5.3 The planning and licensing regimes involve consideration of different (albeit related) matters. **For example, licensing considers matters relating to the licensing objectives, including the prevention of public nuisance, whereas planning considers the wider use of land and impacts on amenity. Accordingly, licence applications should not be regarded as a re-run of the planning application process, nor should planning decisions necessarily determine licensing decisions, and vice versa.**
- 5.4 The granting by the licensing authority of any variation of a licence which involves a material alteration to a building would not relieve the applicant of the need to apply for planning permission (Listed Building Consent where applicable), or Building Control approval.
- 5.5 There are also circumstances when as a condition of planning permission a terminal hour has been set for the use of premises for commercial purposes. **Where these hours differ from the hours authorised by a premises licence, the applicant must comply with the more restrictive regime. Premises operating in breach of planning control may be liable to enforcement action under planning legislation.**
- 5.6 The Planning Authority is a responsible authority under the Licensing Act and as such may make representations on licence applications as long as they relate to the licensing objectives.
- 5.7 **The Licensing Authority recognises the 'Agent of Change' principle as reflected in Planning Policy Wales. Where new development is proposed in the vicinity of an existing lawful licensed premises, responsibility for mitigating potential impacts should normally rest with the developer or person introducing the change. Planning and licensing remain separate regulatory regimes and the application of the Agent of Change principle through the planning system does not override the licensing objectives or the Licensing Authority's responsibilities under the Licensing Act 2003.**

6.0 | Application for First-time Grant of Licence / Certificate and Variation of existing Terms and Conditions

In considering all new or variation of condition applications, the Licensing Authority will assess them in light of the licensing objectives, the operating schedule and in particular will consider the following, to the extent that they are under the control of the applicant :

- 6.1** The steps the applicant has taken or proposes to take to prevent noise and vibration escaping from the premises, including music, noise from ventilation equipment, and human voices. Such measures may include the installation of soundproofing, air conditioning, acoustic lobbies and sound limitation devices.
- 6.2** The steps the applicant has taken or proposes to taken to prevent disturbance by patrons arriving at or leaving the premises.
- 6.3** The steps the applicant has taken or proposes to take to prevent queuing, or, if queuing is inevitable, to divert queues away from neighbouring premises, or otherwise to manage the queue to prevent disturbance or obstruction.
- 6.4** The steps the applicant has taken or proposes to take to ensure patrons leave the premises quietly.
- 6.5** The arrangements made or proposed for parking by patrons, and the effect of parking on local residents.
- 6.6** Whether there is sufficient provision for public transport for patrons.
- 6.7** Whether taxis and private hire vehicles serving the premises are likely to disturb local residents.
- 6.8** Whether routes to and from the premises on foot or by car or service / delivery vehicles pass residential premises.
- 6.9** Whether other measures to reduce nuisance have been considered, such as the use of CCTV or the employment of Licensed Door Supervisors.
- 6.10** The measures proposed to prevent the consumption or supply of illegal drugs, including any search procedures.
- 6.11** The likelihood of any violence, public disorder or policing problem arising if a licence was to be granted.
- 6.12** If the applicant has previously held a licence within the County, the details of any enforcement action arising from the premises.

- 6.13** Whether the premises would result in increased refuse storage or disposal problems, or additional litter in the vicinity of the premises.
- 6.14** Representations from Responsible Authorities.
- 6.15** Representations from interested parties.
- 6.16** In respect of applications for variation of a premises licence or club premises certificate the Licensing Authority will take into account the previous history of the premises and its management. The views of all Responsible Authorities may be taken into account.

Minor Variations

- 6.17 A premises licence / club premises certificate holder may apply under the 'minor variation' procedure for small variations which may not impact adversely on the licensing objectives. There is no right to a hearing, however if the application is rejected, a full application can be made.
- 6.18 The Licensing Authority must consider the impact of the minor variation, and decide whether to consult with any of the Responsible Authorities.

Annual Fee

- 6.19 Although premises licenses and club premises certificates are granted indefinitely, licence holders are required to pay an annual fee to the Licensing Authority.

During 2012, the Police Reform and Social Responsibility Act amended the Licensing Act 2003 to impose a requirement on the Licensing Authorities to suspend premises licenses where the annual fees are not paid.

7.0 | Temporary Events

- 7.1** The Licensing Authority will have regard to the most recent statutory guidance issued under Section 182 of the Licensing Act 2003 in relation to Temporary Event Notices. In brief, these are events that last for less than 168 hours and have less than 500 people attending.
- 7.2** Temporary Event Notices are subject to a light-touch regulatory process. The Licensing Authority has limited discretion in relation to TENs and may only intervene where a relevant objection is received from a Responsible Authority.
- 7.3** Both the Police and Environmental Health can object to a Temporary Event Notice within a three-day window of submission where they consider that the licensing objectives may be undermined.
- 7.4** Many local events will be organised by volunteers or a committee of a club or society. The Licensing Authority considers it good practice that the same level of health and safety protection is provided as if an employer / employee relationship existed, irrespective of whether there are strict legal duties applicable under the health and safety legislation.
- 7.5** The Licensing Authority will encourage organisers of temporary events to seek advice / information from their local Safety Advisory Groups.
- 7.6** Though the Licensing Authority is unable to attach any limitations or restrictions in respect of Temporary Events it expects organisers to have proper respect for local residents and those attending events, for example, in the areas of:
- ▶ health and safety
 - ▶ noise pollution
 - ▶ use of temporary structures
 - ▶ road closures
 - ▶ use of pyrotechnics / fireworks
 - ▶ controlling anti-social behaviour
 - ▶ sale of alcohol

Standard TENs

- 7.7** A minimum of ten working days' notice must be given to the Licensing Authority of temporary events, however the earliest possible notice would be preferred. "Ten working days' notice" means ten working days exclusive of the date the notification is received, and the day the event starts. "Working day" excludes Saturday, Sunday, Christmas Day, Boxing Day, New Year's Day, Good Friday or Bank Holidays.

- 7.8** Where the Police or Environmental Health object to the TEN, the applicant can agree to modify the TEN. If no agreement is reached, a hearing of the Licensing Sub Committee will be arranged. The panel may decide to impose conditions or issue a Counter Notice to prevent the event from going ahead.

Late TENS

- 7.9** A late TEN may be given up to five working days but no earlier than nine working days before the event is due to take place, **exclusive of the date the notification is received, and the day the event starts. "Working day" excludes Saturday, Sunday, Christmas Day, Boxing Day, New Year's Day, Good Friday or Bank Holidays.**
- 7.10** Where the Police or Environmental Health apply for a Late TEN, there is no provision for a hearing and the Authority must serve a Counter Notice to prevent the event from going ahead.

Limits

- 7.11** **The Licensing Authority will have regard to any updated statutory provisions relating to Temporary Event Notice limits**

8.0 | Personal Licences

- 8.1** The Licensing Authority will closely follow the Home Office guidance in respect of applications for and granting of Personal Licences.
- 8.2** Applicants will be required to produce a recent basic criminal record disclosure document. Applicants from foreign jurisdictions must make a clear statement as to whether or not they have been convicted outside England and Wales of a relevant offence or an equivalent offence.
- 8.3** The Licensing Authority will liaise closely with the Police when an applicant is found to have an unspent conviction for a relevant offence defined in the Act.
- 8.4** The Licensing Authority will append details of the relevant offences to the application forms for the information of applicants.

9.0 | Club Premises Certificates

- 9.1** Section 62 of the Licensing Act sets out the general conditions which an organisation with at least 25 members who have joined together for particular social, sporting or political purposes must meet to be a qualifying club. Only qualifying clubs may apply for a Club Premises Certificate.
- 9.2** A Club Premises Certificate provides authorisation for the supply of alcohol and provision of regulated entertainment for the benefit of members and their bona-fide guests only. If a premises wishes to provide licensable activities for non-members or the public in general, they will need to do so by means of a Temporary Event Notice or a Premise Licence. The Licensing Authority will liaise closely with the Police when an applicant is found to have an unspent conviction for a relevant offence defined in the Act.
- 9.3** The grant of a Club Premises Certificate affords the qualifying club certain benefits:
- ▶ Supply of alcohol to members without the requirement for a Designated Premises Supervisor
 - ▶ Provision of Late Night Refreshment to members without the need for additional authorisation
 - ▶ Limited rights of entry to the police and authorised persons as the premises will generally be considered to be private and not open to the general public
 - ▶ Exemption from orders of the magistrates' court for the closure of all licensed premises in an area when disorder is happening or expected

10.0 | Operating Schedule

- 10.1** The Licensing Authority believes that all parties – licensing authorities, licence / certificate holders, authorised persons, the police and responsible authorities – should be working together in partnership to ensure collectively that the licensing objectives are promoted.
- 10.2** In order to minimise disputes and the necessity for hearings, the Licensing Authority believes it would be sensible for applicants to consult with all responsible authorities when operating schedules are being prepared.
- 10.3** Operating Schedules are expected to contain sufficient information to allow any Responsible Authority or interested party to assess whether the steps to be taken to promote the licensing objectives are satisfactory.
- 10.4** Descriptions of activities proposed at the premises should include those that also fall outside the definition of regulated entertainment.
- 10.5** The type of dancing should be described, as should the type of music provided. This type of information is essential so that Responsible Authorities and interested parties can form a proper view as to what measures may be necessary to ensure that the licensing objectives are being met.
- 10.6** The measures put forward in Operating Schedules to promote the licensing objectives will become licence conditions attached to the premises licence or club premises certificate.

11.0 | Hours of Operation

- 11.1** The Licensing Authority recognises that fixed and artificially early closing times in certain areas can lead to disorder and disturbance on the streets when large numbers of people tend to leave licensed premises at the same time.
- 11.2** The Licensing Authority will aim, through the provisions of the licensing objectives, to achieve a slower dispersal of people from licensed premises through longer opening times. The Council will not fix pre-determined closing times for particular areas, nor seek to engineer 'staggered closing times'.
- 11.3** Shops, stores and supermarkets will **usually** be permitted to sell alcohol for consumption off the premises at the times when they are normally open in the course of their business. Hours may be restricted when representations are received from the Police in relation to individual shops which are known to be a focus of disorder and disturbance.
- 11.4** When considering applications for premises licences / certificates, the Licensing Authority will take into account applicants' requests for terminal hours in the light of:
- ▶ The potential impact on the amenity of the area
 - ▶ The character or function of a particular area
 - ▶ The nature of the proposed activities to be provided at the premises
- 11.5** The terminal hours will normally be approved where the applicant can show that the proposal would not adversely affect the above. The Licensing Authority may set an earlier terminal hour where it considers this is appropriate.
- 11.6** Where premises are situated adjacent to residential areas then stricter conditions with regard to noise control may apply, but this should not limit opening hours provided the required conditions are complied with.
- 11.7** The times when a premises are open to the public are not necessarily identical to the hours during which licensable activities may take place. It will be possible for premises to allow the consumption of previously purchased alcohol outside the hours authorised for the sale or supply of alcohol.
- 11.8** The Licensing Authority will not oblige the holder of a premises or club premises certificate to remain open for the entire period permitted by his / her licence or certificate.

12.0 | Enforcement, Reviews and Powers

- 12.1** A protocol on the implementation of a shared enforcement role between the Licensing Authority and North Wales Police has been established.
- 12.2** In general terms, action will only be taken in accordance with agreed enforcement principles and in line with the **Community and Business Protection Enforcement Policy**.
- 12.3** **The review process enables licensing authorities and responsible authorities to address concerns arising from the operation of licensed premises in a proportionate manner, without imposing unnecessary restrictions at the point of grant**
- 12.4** A review may be initiated by the Responsible Authorities, e.g. North Wales Police, North Wales Fire and Rescue Service, Flintshire County Council's Environmental Health Department or by **any other person**.
- 12.5** In every case sufficient evidence to support the allegations made will need to be presented to the Licensing Authority.
- 12.6** **Where appropriate, Responsible Authorities and Authorised Persons are encouraged to engage with licence holders and seek improvements before instigating a review. However, this may not be appropriate in serious cases**
- 12.7** The Licensing Authority will refer to Home Office guidance when considering whether complaints from interested parties are irrelevant, vexatious, frivolous or repetitious.
- 12.8** Amendments to the Licensing Act by the Police Reform and Social Responsibility Act **2011** afford Councils the power to suspend premises licences and club premises certificates where the required annual fee has not been paid.
- 12.9** When an annual fee has not been paid by the due date, usually the anniversary on which the licence was first granted, the Licensing Authority will notify the licence or certificate holder in writing that:
- ▶ The licence or certificate will be suspended in 7 days from the date of the notice
 - ▶ The suspension will not become effective should the fee be paid prior to the suspension date

13.0 | The Licensing Process

Conditions of License

- 13.1** The Licensing Authority will avoid imposing disproportionate and over burdensome conditions on premises licences / club premises certificates.
- 13.2** The Licensing Authority will have regard to model pools of conditions and will attach conditions as appropriate given the circumstances of each individual case. The model conditions will deal with issues surrounding –
- ▶ Crime and disorder
 - ▶ Public safety
 - ▶ Public nuisance
 - ▶ Protection of children from harm
- 13.3** The Licensing Authority will also consider reference documents listed in the Annexes to the Home Office Guidance, though they will not be used as standard conditions.
- 13.4** When attaching conditions the Licensing Authority will also be aware of the need to avoid measures which might deter live music, dancing or theatre by imposing indirect costs of a substantial nature.
- 13.5** When determining applications the Licensing Authority will have regard to guidance issued by the Home Office. In particular, account will be taken of the need to encourage and promote live music, dancing and theatre for the wider cultural benefit of the community as a whole. If representations are made concerning the potential for limited disturbance in a particular neighbourhood, the Licensing Authority's consideration will be balanced against the wider benefits to the community.

Administration – Application Process

- 13.6** The Licensing Authority accepts that it must not interfere in the decision of who is the most appropriate person to apply for or hold a premises licence / club premises certificate. It will, however, only accept applications made in the prescribed form.
- 13.7** The (DPS) remains the individual identified on the premises licence as having 'day to day' responsibility for the premises. The Authority recognises that a DPS may be specified on multiple premises licences, particularly on a temporary basis pending recruitment or organisational changes. Where this is the case, applicants may be asked to demonstrate how effective management arrangements will be maintained at each premises and how the promotion of the licensing objectives will be ensured.

- 13.8** The Licensing Authority will expect individual applicants to address the licensing objectives in their Operating Schedule having regard to the type of premises, the licensable activities to be provided, the operational procedures, the nature of the location and the needs of the local community.
- 13.9** Applicants will be encouraged to make themselves aware of any relevant planning and transportation policies, tourism and cultural strategies and local crime prevention initiatives and to have taken these into account where appropriate when formulating their operating schedule.
- 13.10** The Licensing Authority will seek to balance the interests of local residents, businesses, licence holders and the wider community when exercising its licensing functions, having regard to the promotion of the licensing objectives
- 13.11** The powers of the Licensing Authority under the Act may be carried out by the Licensing Committee, by a Sub Committee, or by one or more officers acting under delegated authority. Delegation of functions will be in line with Home Office recommendations.

15.0 | Special Considerations

Adult Entertainment

- 15.1** Flintshire County Council has formally adopted controls on Sexual Entertainment Venues.
- 15.2** The effect of this resolution is that sexual entertainment venues will be included in the existing licensing regime which controls other sex establishments, namely sex shops and sex cinemas.
- 15.3** It will be an offence to operate such premises without the necessary Sex Establishment Licence being in force, or to fail to operate in accordance with the terms and conditions subject to which such a licence has been issued.
- 15.4** A Sexual Entertainment Venue is any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or entertainer. Relevant entertainment means any live performance or live display of nudity which is of such a nature that it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating members of the audience. Examples include lap dancing, pole dancing, table dancing and striptease performances.
- 15.5** If a Licensing Act 2003 Premises Licence is in force that permits regulated entertainment in the form of music or dancing or entertainment of a like kind it will be possible for entertainment of the type outlined in the above paragraph to be held on no more than 11 occasions within a 12 month period. There must be at least a month between each occasion and no such occasion can last more than 24 hours.
- 15.6** The Licensing Authority is likely to regard that 'stripograms' and similar activities fall within the definition of sexual entertainment if the licensee organises or provides them and in these circumstances therefore they should not take place unless a Sex Establishment Licence is in force. Premises may however avail themselves of the occasional use provision detailed in the above paragraph.
- 15.7** Licensees are requested to provide notification to the Licensing Authority when they provide or allow sexual entertainment under the occasional use provision detailed in paragraph 20.5 above, or when 'stripograms' have performed in their premises. Please make contact via licensing@flintshire.gov.uk or on 01352 703 030

16.0 | Well-being of Future Generations (Wales) Act 2015

- 16.1** The Well-being of Future Generations (Wales) Act 2015 places a duty on public bodies in Wales to carry out sustainable development by acting in accordance with the sustainable development principle. This requires public bodies to consider the long-term impact of their decisions, work collaboratively with people, communities and partner organisations, and seek to prevent persistent challenges affecting the well-being of current and future generations.
- 16.2** In exercising its licensing functions, the Licensing Authority will have regard to the principles contained within the Well-being of Future Generations (Wales) Act 2015, where relevant and appropriate
- 16.3** In applying the principles of the Well-being of Future Generations (Wales) Act 2015, consideration may be given to a range of factors relevant to the licensing function. This can include the management of noise and the creation of appropriate soundscapes—the right acoustic environment at the right time and in the right place—as well as the five ways of working identified in the Act: long-term, prevention, integration, collaboration and involvement.
- 16.4** Welsh Government has produced a ‘Noise and Soundscape Action Plan for 2023 – 2028. This can be found here:
<https://www.gov.wales/sites/default/files/publications/2023-11/noise-and-soundscape-plan-for-wales-2023-2028.pdf>
- 16.5** The Licensing Authority will also have regard, where relevant, to other applicable legislation and statutory requirements. This includes, but is not limited to:
- ▶ Environmental Protection Act 1990 (including statutory nuisance)
 - ▶ Regulatory Reform (Fire Safety) Order 2005;
 - ▶ Highways Act 1980 and other relevant legislation governing the use of the public highway, including the provision of tables, chairs and similar facilities outside licensed premises.

Mandatory Conditions

The Licensing Act 2003 prescribes mandatory conditions which apply to certain premises licences and club premises certificates. As these conditions are set nationally and may be amended from time to time, they are not reproduced within this Policy. Applicants and licence holders should refer to the current legislation and Home Office Guidance issued under section 182 of the Licensing Act 2003 for the latest requirements. The authority will apply all mandatory conditions to the licence at the time of the relevant licensing determination.

Appendix D

Other Legislative Responsibilities

Immigration Act

The Licensing Authority will have regard to all relevant legislative requirements, including those relating to immigration and the right to work in the United Kingdom, when exercising its functions under the Licensing Act 2003.

Deregulation Act
