

Formal Notice

Flintshire County Council Licensing Section administers and enforces the law relating to the licensing of Private Hire vehicles and Hackney Carriages.

The Council licenses the operators, drivers and vehicles. The main objective is to ensure public safety. As part of this, every vehicle that is used as a taxi or for Private Hire purposes must have an MOT test every six months. In addition to the standard VOSA MOT requirements, there are some specific checks needed as part of Flintshire's licence conditions

The vehicles will primarily include saloon cars, people carriers, MPV's and mini buses. For those with sufficient testing facilities, Limousines may also be presented for test.

The Council wishes to invite expressions of interest from VOSA approved testing stations who wish to be listed as eligible for carrying out the testing of these vehicles.

To be included on this list, it will be necessary to pay an annual fee of £100 and to meet the quality criteria shown on the following proforma.

If you wish to be considered for a place on the Council's list, please complete and return the attached expression of interest form to Licensing Section, County Hall, Mold, Flintshire, CH7 6NF, or to licensing @flintshire.gov.uk **before Wednesday 21st February 2018**

If any further information is required, please contact Gemma Potter, Team Leader – Licensing on 01352 703371.
