

Flintshire Deposit Local Development Plan - Examination Matters Arising Changes - Consultation Representation Form

The Council is consulting on the Matters Arising Changes (MACs) arising from the Examination of the Deposit Local Development Plan (LDP) and also on a range of documents and evidence which support the MACs. Further details on the consultation can be found at www.flintshire.gov.uk/ldp .

This representation form may be submitted by:

- downloading the form and e-mailing to developmentplans@flintshire.gov.uk
- printing and posting to Andrew Farrow, Chief Officer (Planning Environment and Economy), Flintshire County Council, County Hall, Mold CH7 6NB

This form has several parts:

Part A - Personal details

Part B - Your representation

Part C – Tests of Soundness

Part D – Supporting Information and Documents

Part E – Appearance at Examination Hearing Session

Please read the detailed guidance notes and Privacy Notice at the end of the representation form.

All representations must be received by 5pm on Friday 29^h July 2022.

Representations should only relate to the MACs and not seek to add to previous representations nor to submit new objections to the Plan.

Duly made representations will be acknowledged by the Council, recorded and forwarded to the Programme Officer for the Inspector to consider. Representations will be made publicly available but all personal information, with the exception of a representor name, will be redacted.

Further information on the MACs consultation can be obtained from the LDP helpline 01352 703213 or developmentplans@flintshire.gov.uk and further information relating to the Examination of the Plan should be directed to the Programme Officer on 07582 310364 or kerry.trueman@flintshire.gov.uk .

<p>The Strategy reads well as a framework to utilise in progressing mitigation measures. We support that Policy EN15 links the Strategy as the key framework document in outlining the mitigation measures that can be delivered and is key to enabling development over the plan period.</p> <p>We must ensure we meet new environmental obligations included within our capital investment programme (AMP7, 2020-2025) as identified through NRW's Water Quality National Environment Programme (NEP). The NEP outlines the improvements we need to make to comply with environmental legislation and identifies the WwTW where we need to invest in phosphate removal, either through the tightening of existing phosphate permits or the introduction of new phosphate permits. As such, we have developed a phased programme in agreement with NRW over AMP7 (2020-2025) and AMP8 (2025-2030), setting out those WwTW where phosphate removal will take place. The three WwTWs that serve allocated housing sites that are impacted by NRW's advice (Buckley, Mold, & Hope) have a Phosphate permit in place, and there is currently no requirement to tighten the existing phosphate permits through the NEP.</p> <p>As a result of the NRW evidence package and Planning Advice, a joint NRW / Welsh Water programme of modelling is being undertaken for the failing SAC rivers. This work is currently underway utilising the industry standard SAGIS (Source Apportionment Geographic Information System) tool. The purpose of the modelling work is to determine the source apportionment by modelling nutrient loads and</p>		

concentrations from multiple sources which will establish and confirm our proportion of the load discharged. The modelling work is expected to be completed in 2022 and once complete we will review the findings with NRW to determine whether our investment in phosphate removal at WwTWs in the current and next AMP is targeted at the right locations. We will need to work with stakeholders to deliver a range of options and to that end we are wholly supportive of the proposed Nutrient Management Boards (NMBs). Table 4.6 'Intervention Measures Matrix' in the Strategy is a very useful visual in setting out each of the potential mitigation measures – emphasising the fundamental nature of multi-stakeholder engagement and the importance of the NMBs in progressing options.

Do you think any changes are required to the Plan?	Yes	
	No	X

If yes please explain in the box below:
 (if your comments are more than 500 words please provide a summary in the box below and attach any more detailed or supporting documents)

Part C - Tests of Soundness

If you are objecting to a MAC which Test of Soundness do you think it fails?	Legal and Regulatory Procedural Requirements	
	Test 1 Does the Plan fit? (is it clear that the LDP is consistent with other Plans?)	
	Test 2 Is the Plan appropriate? (Is the Plan appropriate for the area in the light of evidence?)	
	Test 3 Will the Plan deliver? (Is the LDP likely to be effective?)	

Please explain why the MAC is not sound or explain what changes need to be made to the MAC to make the Plan sound, in the box below:

Notes

Further information relating to the Matters Arising Changes consultation can be found at www.flintshire.gov.uk/ldp

A separate form should be completed for each representation that you wish to make.

Include all the information, evidence and supporting information necessary to support / justify your representation.

Please attach additional sheets where required, clearly numbering each consecutive sheet and indicate on the form each individual additional document submitted.

Your representation should be set out in full. This will help the Inspector to understand the issues you raise. However, it would be helpful if the comments boxes within the form could be limited to 500 words. It may be helpful to provide a summary within the comments box and a more detailed submission as a separate document.

Petitions - Where a group shares a common view on how it wishes the Plan to be changed, it would be helpful for that group to send a single form with their comments, rather than for a large number of individuals to send in separate forms repeating the same point. In such cases the group should indicate how many people it is representing

and how the representation has been authorised. The group's representative (or chief petitioner) should be clearly identified. Signing a petition does not prevent the submission of individual forms.
