Andrew Farrow Esq.
Chief Planning Officer,
County Hall,
Mold, CH7 6NB

Dear Mr. Farrow,

Thank you for your letter of June 13th, (Local Development Plan). Dare I say, I do not consider myself to be uneducated yet I find the letter, written in such densely technical language, to be almost incomprehensible. Although, I readily understand that you have legal obligations to fulfil.

In response, all I can do is to reiterate my objection to the proposed development on Ash Lane, Mancot. The development will ruin the aspect of a listed building, Deiniol's Ash Farm. We have so few buildings of such status in the County that to compromise one could surely be described in terms of vandalism.
