New Fflecsi Service launching in Buckley and surrounding areas

Fflecsi is a new way to travel around Buckley and surrounding areas.

To use the service you need to book in advance. There are currently two main booking options – via the app or by telephoning 0300 234 0300, the call centre can also help you plan a journey.

- Operational from 7.45 am to 6.30 pm Monday to Saturdays (*except between 8.15 to 9.15 & 14.30 to 15.30 school term time) the service is ideal for getting to work, shopping, meeting with friends, appointments, school or connecting with other buses or trains.
- You can choose where to be picked up from or dropped off as the bus doesn't run to a fixed timetable or route. However, the route varies based on who else has booked at similar times or destinations.
- You can book via an app (which also allows you to track your bus) on the website and by telephone on 0300 234 0300.
- There are a number of ways to pay: on-board with cash, £2.50 per journey for adults/ £1.50 for children. MyTravel Pass is also accepted whilst concessionary card holders travel for free.
- The existing Flintshire "Go Travel" Green bus will remain in operation meaning passengers can easily recognise the vehicles.
- The managed booking system means that Fflecsi bus passengers are guaranteed a seat
