(Drury Lane, Bannel Lane and Padeswood Road South, Buckley) (Station Road, Talacre) (40 Speed Limits) Order 2023

STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER

Flintshire County Council propose the following:

- a. To change the existing 20mph speed limit on the Padeswood Road South, Bannel Lane and Drury Lane Roads in Buckley to a 40mph speed limit. The proposed length of 40mph speed limit on Drury Lane, will extend to the Dobshill Interchange roundabout, thus reducing a section of National Speed Limit to 40mph.
- b. To change a section of the existing 30mph speed limit on Station Road, Talacre to a 40mph speed limit.

The Authority are reviewing all speed limits within the County, in relation to their suitability to the legislation and the Roads listed above, form part of this.

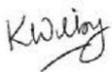

A most recent Speed Assessment has been carried out, which has concluded that the posted Speed Limit of 20mph on Drury Lane, Bannel Lane and Padeswood Road South, Buckley and 30mph on Station Road Talacre, are unsuitable for these roads when assessed in accordance with current guidance.

The underlying aim of the review, is to provide a safe, efficient highway network with vehicles travelling at appropriate speeds for the characteristics of the road and will ensure the consistency of speed limits throughout the County's highway network.

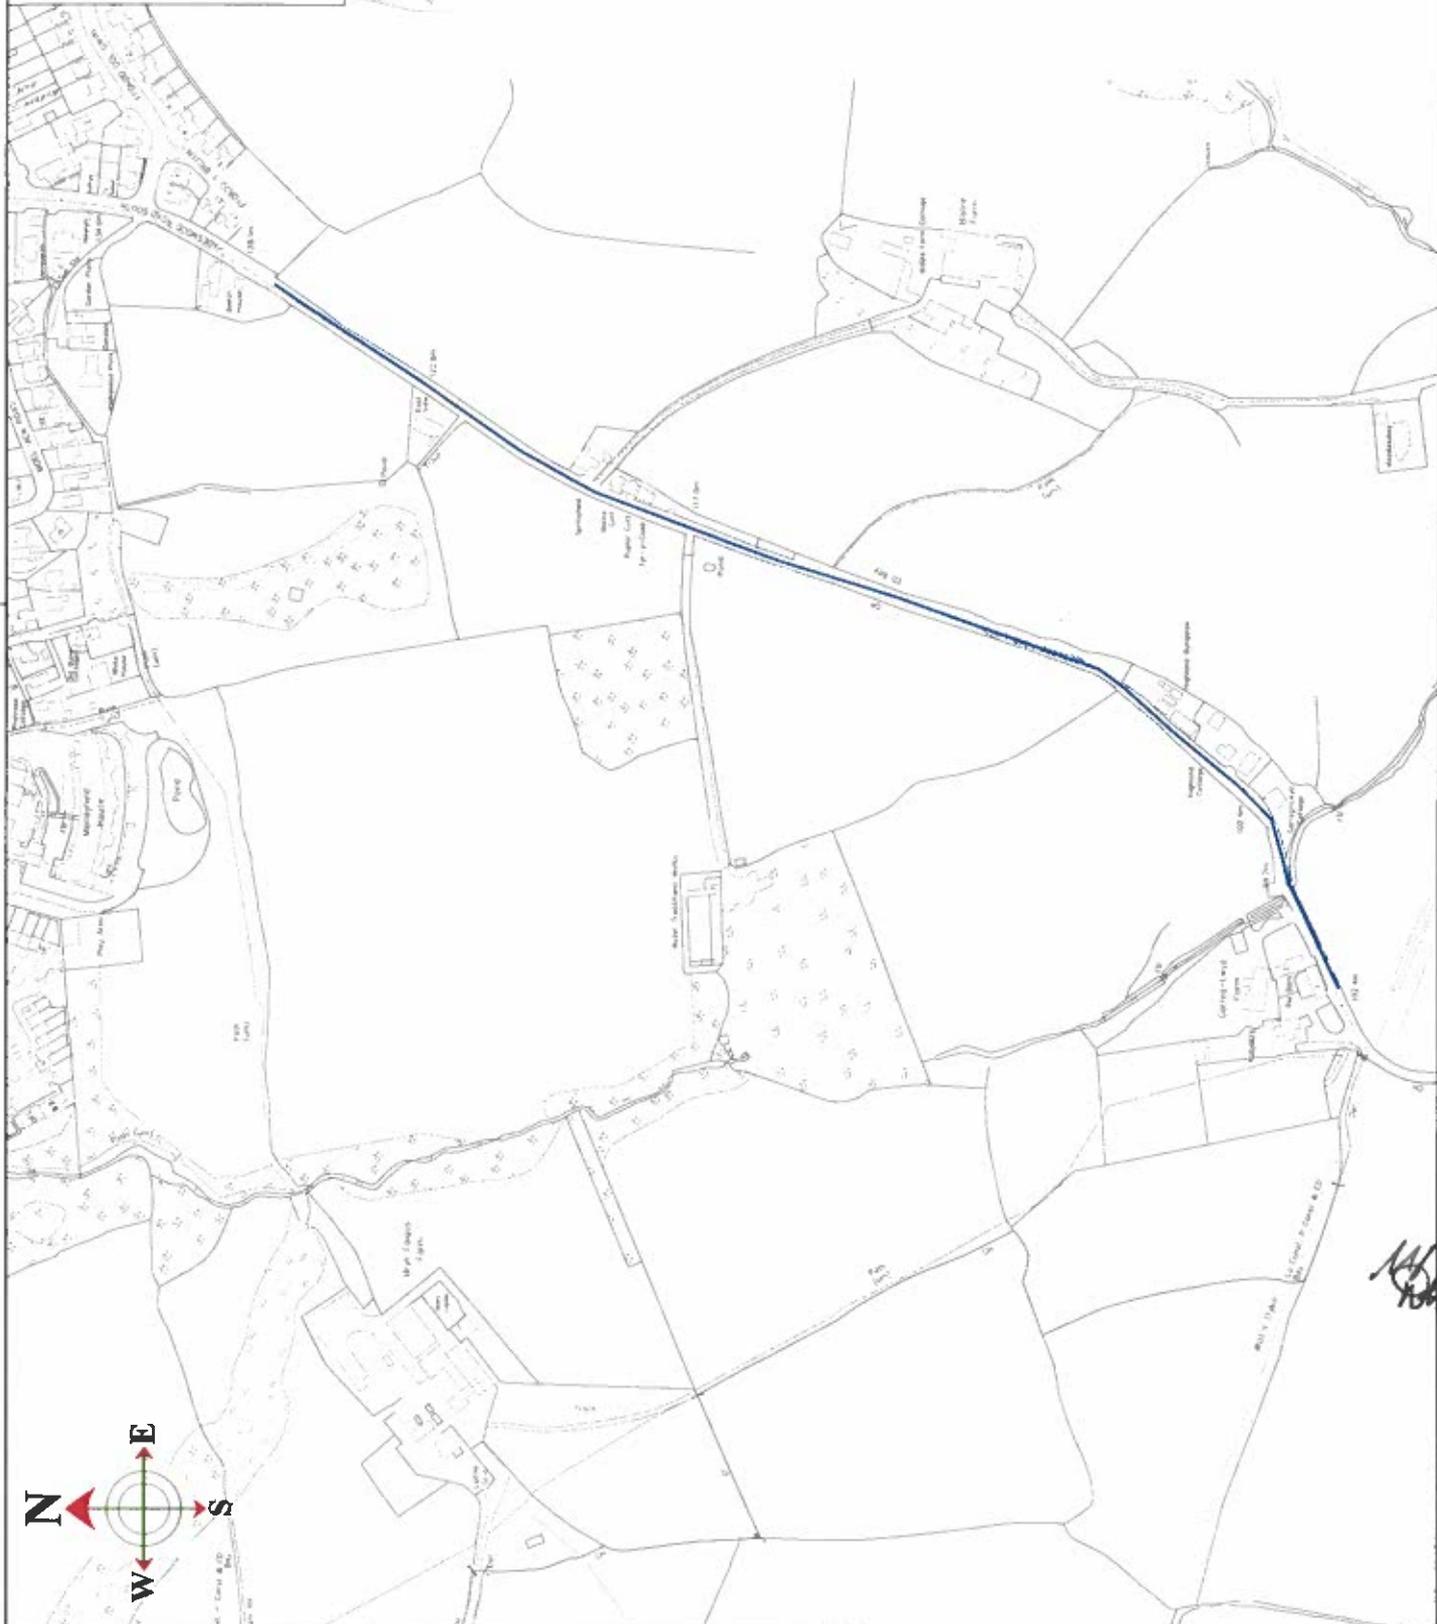

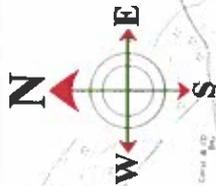

If a speed limit is set unrealistically low for the particular road function and condition, it will likely be ineffective and drivers may not comply with the speed limit. Drivers are likely to comply with and respect lower speed limits where they can see there are potential hazards, for example outside schools, in densely populated / residential areas or villages and in shopping streets.

The Authority continues its responsibility to consider the provision of the convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to road users as well as improving the amenities of the locality.

The proposals are detailed in the Public Notice and are contained in the proposed Draft Order.
