PROPOSED PROHIBITION OF WAITING

Statement of Reasons for Proposing to Make the Order

Flintshire County Council propose to introduce No Waiting at Any Time (double yellow lines) and Limited Waiting restrictions (single yellow line), in the roads as listed above.

The No Waiting At Any Time restrictions are intended to address indiscriminate parking, maintain visibility and to ensure that the junctions are not obstructed by parked vehicles.

Parking at junctions, regardless of the presence of yellow lines, is an offence and the restrictions provide a visual deterrent to reinforce this message. At present, should vehicles be parked within 10 metres of a junction, an act of criminality may be committed and would therefore be subject to enforcement action by North Wales Police. Furthermore the Highway Code states that vehicles should not park near or on a junction as they may cause obstruction and compromise safety for all road users.

The Introduction of the Limited Waiting restrictions, will improve pedestrian safety through the removal of parked vehicles at key locations, whilst reducing congestion and improving traffic flow around the School.

In the interests of road safety, the proposals are necessary to avoid danger to people or other traffic using the road, or preventing danger arising.

The proposals are detailed in the Public Notice and in the proposed Order
