The Flintshire County Council
(Village Road, School Lane and Wheeler Hill, Nannerch) (20mph Speed Limit) Order
202x

STATEMENT OF REASONS FOR PROPOSING TO MAKE ORDER

The Welsh Government will introduce a national default 20mph speed limit on all restricted roads within Wales from 17th September 2023.

Restricted roads are usually located in residential and built-up areas and have a system of street lighting.

The Authority are reviewing all speed limits within the County, in relation to their suitability to the legislation and the roads within Nannerch form part of this.

Due to the length of roads contained within this proposed Traffic Regulation Order being in a peripheral area that supports dark sky preservation, no street lighting is present. Therefore, a 20mph Traffic Regulation Order is proposed, as these roads support the criteria for the suggested advertised speed limit

The Authority continues its responsibility to consider the provision of the convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to road users as well as improving the amenities of the locality.

The proposals are detailed in the Public Notice and are contained in the proposed Draft Order.
