PROPOSED PROHIBITION OF WAITING

Statement of Reasons for Proposing to Make the Order

A successful bid was made to the Welsh Government and as such Flintshire County Council have been successful in obtaining funding to implement substantial safety measures in the surrounding area of Mold Alun High School.

Flintshire County Council propose to introduce No Waiting at Any Time restrictions (double yellow lines), in the road as listed above.

The No Waiting At Any Time restrictions will improve pedestrian safety through the removal of parked vehicles at key location, address indiscriminate parking, maintain visibility and to ensure that the junctions are not obstructed by parked vehicles.

Parking at junctions, regardless of the presence of yellow lines, is an offence and the restrictions provide a visual deterrent to reinforce this message. At present, should vehicles be parked within 10 metres of a junction, an act of criminality may be committed and would therefore be subject to enforcement action by North Wales Police. Furthermore the Highway Code states that vehicles should not park near or on a junction as they may cause obstruction and compromise safety for all road users.

In the interests of road safety, the proposals are necessary to avoid danger to people or other traffic using the road, or preventing danger arising.

The proposals are detailed in the Public Notice and in the proposed Order
