(RESTRICTED ROAD AND 40MPH SPEED LIMIT) (AMENDMENT NO. 16) ORDER
2025**

STATEMENT OF REASONS FOR PROPOSING TO MAKE ORDER

With the installation of new street lighting at this location, the existing 20mph speed limit will change from being enforced by a Traffic Regulation Order to becoming a default 20mph limit under the definition of a 'Restricted Road' due to the presence of street lighting.

It is also proposed to extend the existing speed limit of 40mph on the A550 Hawarden by a short distance, as it does not meet the criteria to remain as a 20mph speed limit. There are no educational, community, or medical facilities within 100 metres and no properties which front the road, that would justify the lower speed limit.

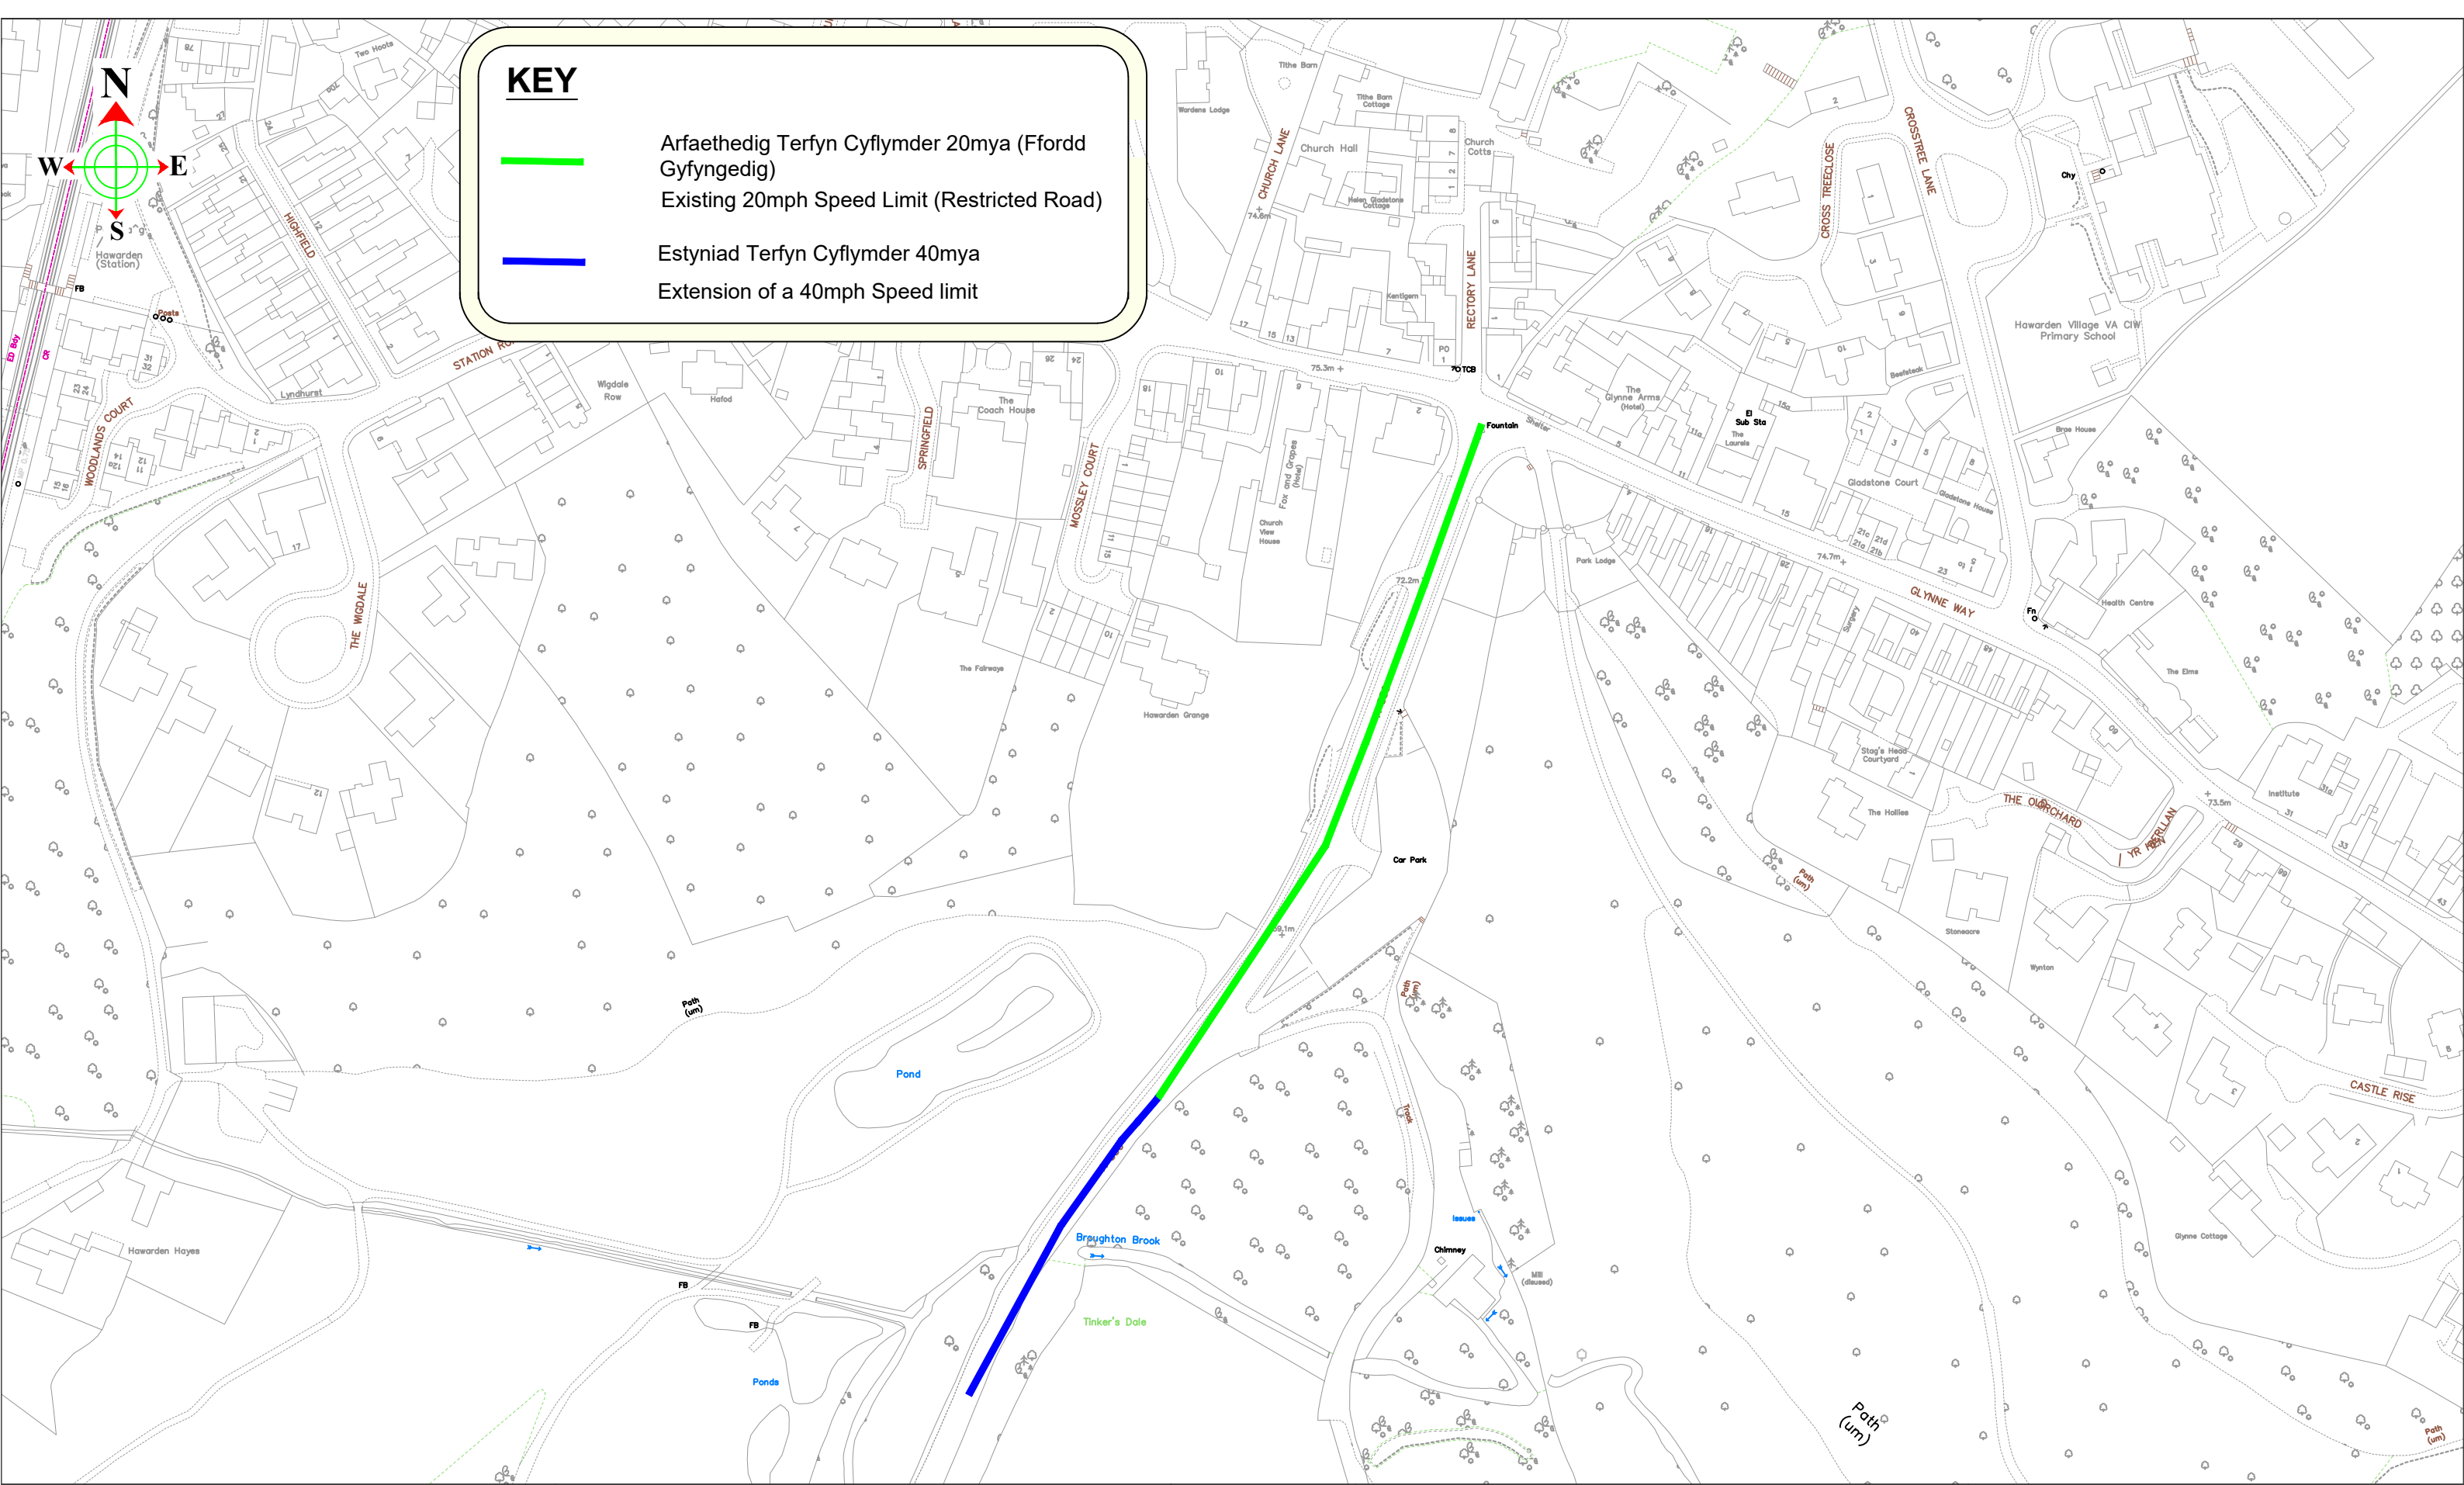

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised whilst facilitating the effective and safe passage of traffic.

The proposals are detailed in the Public Notice and are contained in the proposed draft Order.
