**STATEMENT OF REASONS FOR MAKING THE EXPERIMENTAL ORDER**

On the 4th June 2025, Flintshire County Council made an Experimental Order to introduce No Waiting at Any Time restrictions (double yellow lines) on the roads as listed above.

The introduction of No Waiting At Any Time restrictions, are intended to prevent obstructive parking, maintain visibility at the junctions and to ensure that the accesses in and out of John Summers Way, are not obstructed by parked vehicles. The restrictions will also improve pedestrian safety through the removal of parked vehicles at key locations, whilst reducing congestion and improving traffic flow in and around the area.

Parking at junctions, regardless of the presence of yellow lines, is an offence and the restrictions provide a visual deterrent to reinforce this message. At present, should vehicles be parked within 10 metres of a junction, an act of criminality may be committed and would therefore be subject to enforcement action by North Wales Police. Furthermore, the Highway Code states that vehicles should not park near or on a junction as they may cause obstruction and compromise safety for all road users.

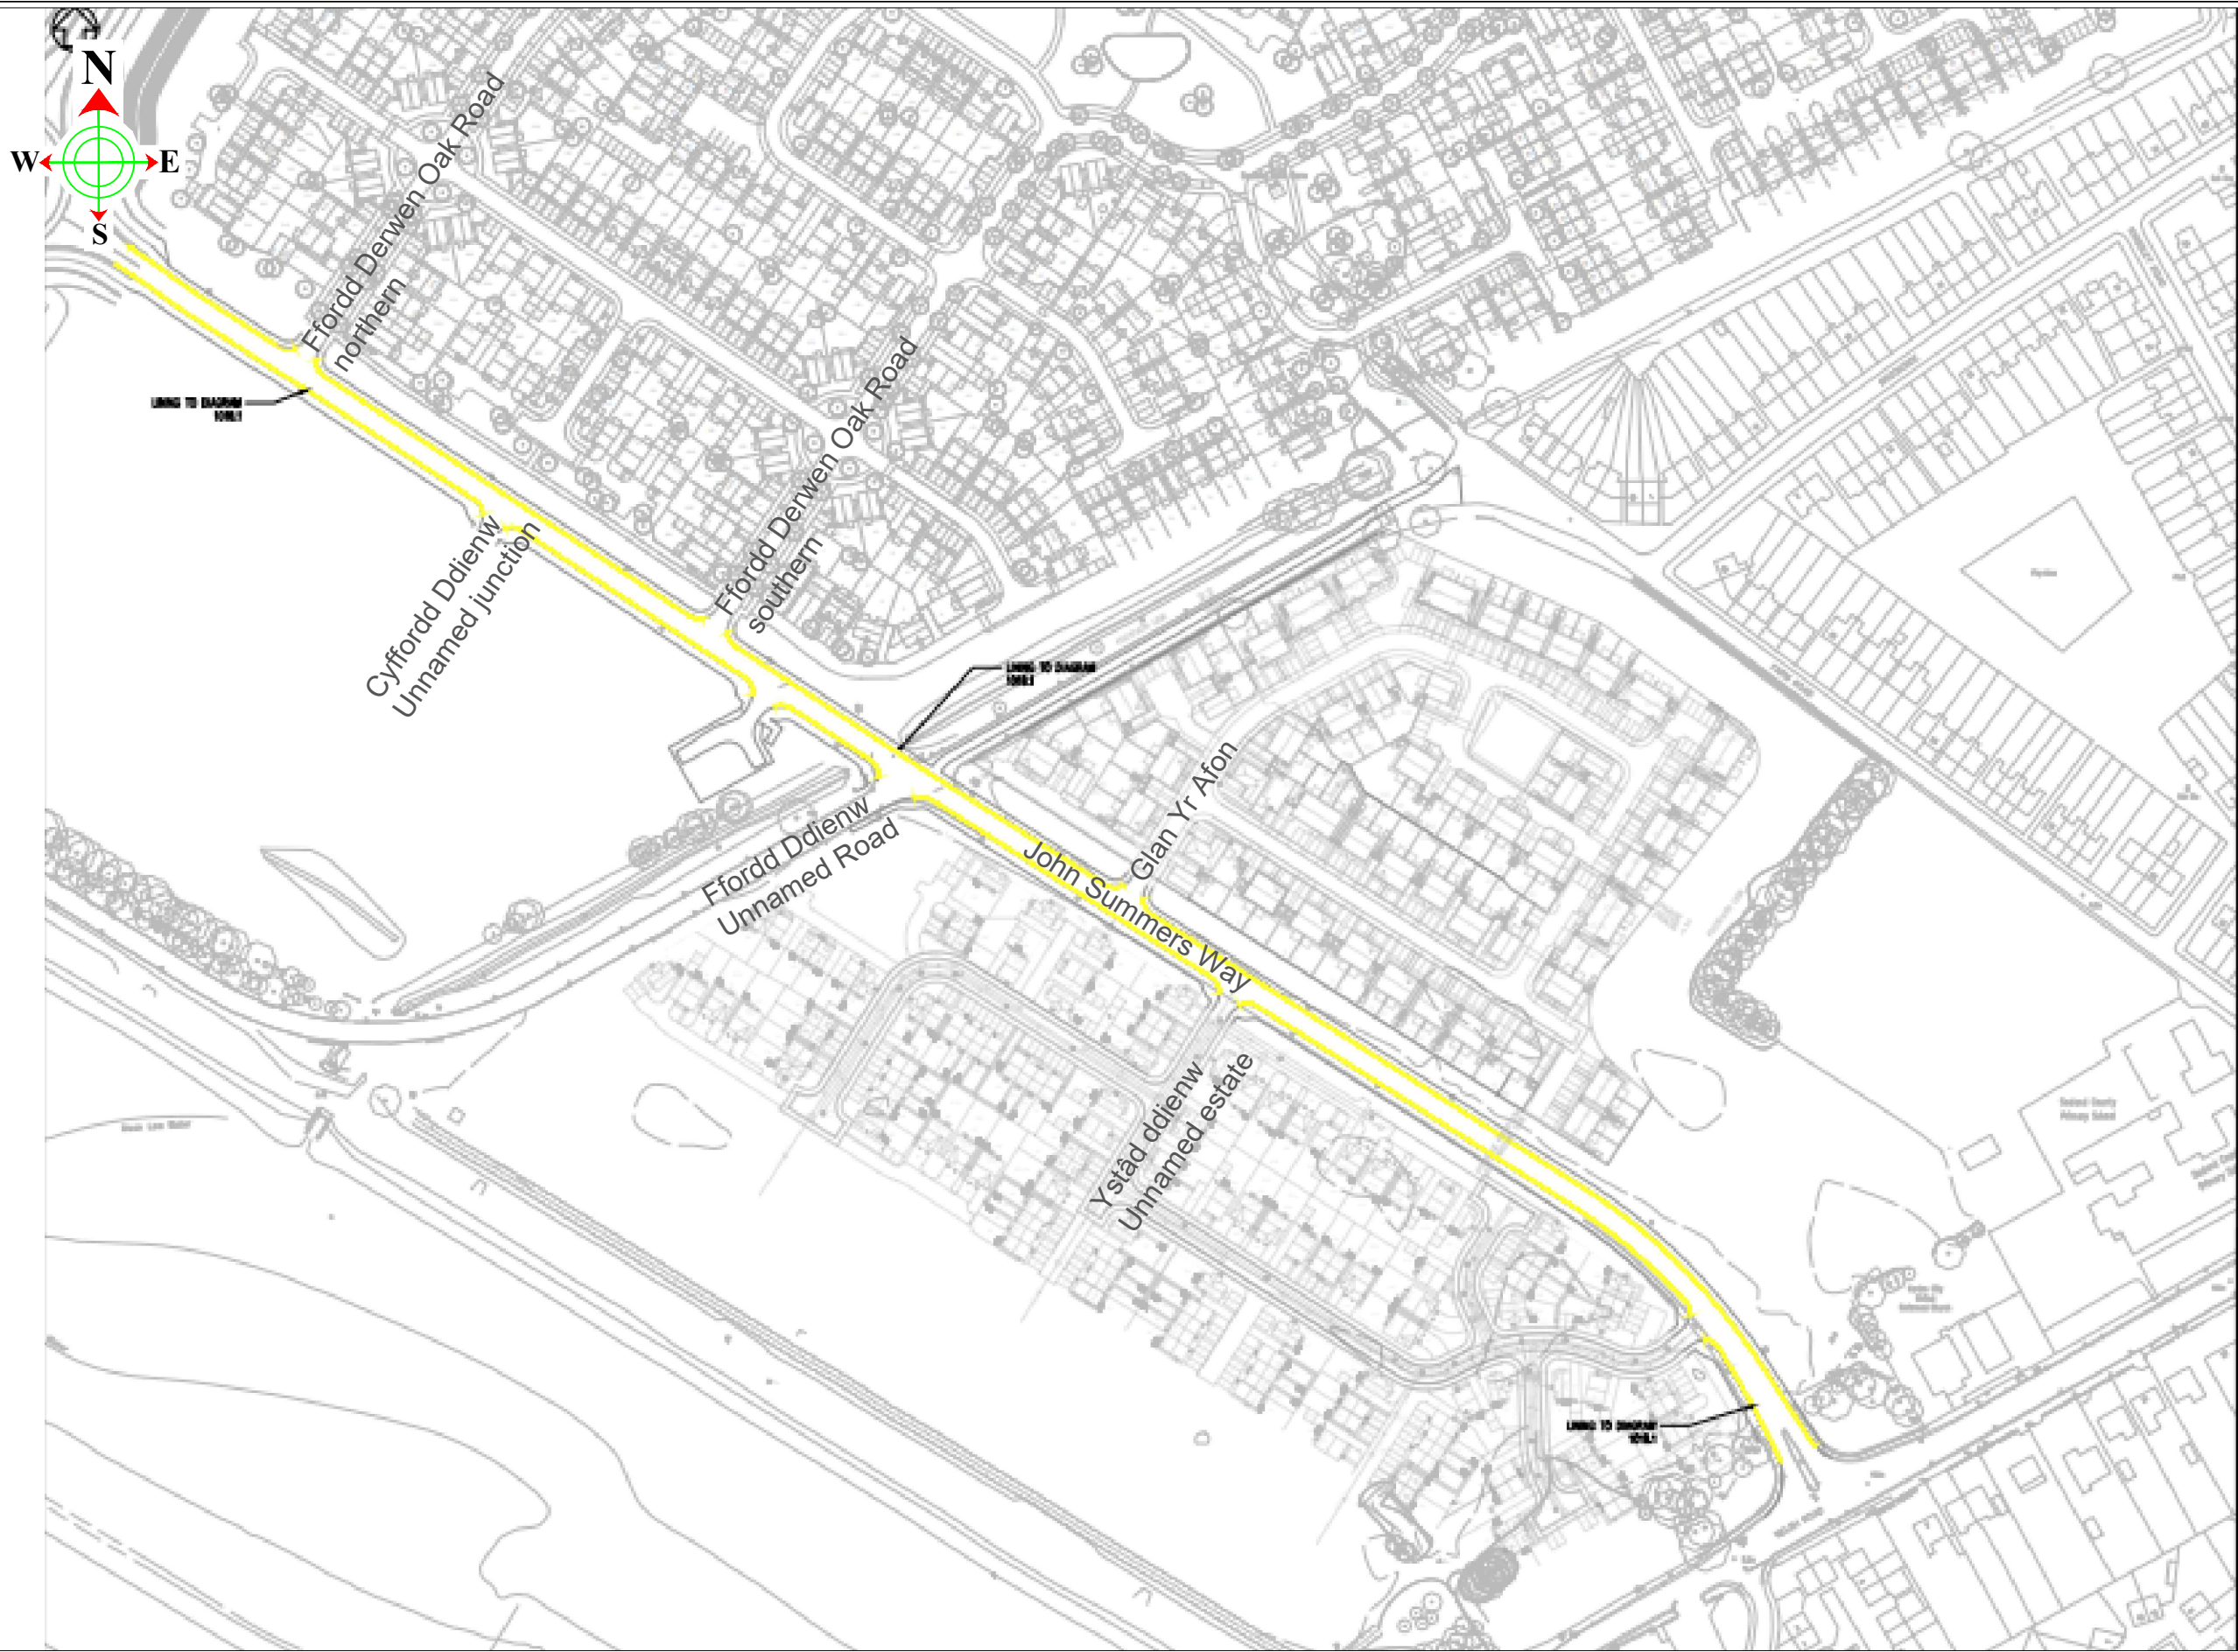

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to vulnerable road users, aswell as improving the amenities of the locality.
