Statement of Reasons for Proposing to Make the Order

**The Flintshire County Council
(A5026 and A5151 Lloc, Holywell)
(50mph and De-restriction Speed Limit) Order 201x**

To introduce a 50mph speed limit on the A5026 from its junction with the A5151 roundabout for a distance of 192 metres in an easterly direction by the Singing Kettle services and on the A5151 from a point 55m south of its junction with the A5026 including the roundabout, to a point 105m north of its junction with the A5026 including the entire length of the Crown estate. The existing speed limit Orders on the adjacent lengths of road will be revised to incorporate this change.

It is proposed to introduce a 50mph speed limit on the A5026 and the A5151, due to a number of road traffic collisions, a number of businesses along the route, and the presence of vulnerable road users including pedestrians and horse riders.

It is proposed to introduce a 50mph speed limit on the A5026 Gorsedd, due to the number of collisions recorded at this location. The existing geometry of the road includes bends, gradients, junctions, accesses and concealed entrances.

The introduction of this proposal will avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to vulnerable road users aswell as improving the amenities of the locality.
