**(20mph Speed Limit) Order 202x**

**STATEMENT OF REASONS FOR PROPOSING TO MAKE ORDER**

Due to the length of roads contained within Schedule 1 of this proposed Traffic Regulation Order being in a peripheral area that has no street lighting present for the full extents. a 20mph Traffic Regulation Order is proposed, as these roads support the criteria for the suggested advertised speed limit.

The existing 30mph speed limit on the length of road specified in Schedule 2, will be incorporated into the new Traffic Order.

The Authority continues its responsibility to consider the provision of the convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to road users as well as improving the amenities of the locality.

The proposals are detailed in the Public Notice and are contained in the proposed Draft Orders.
