**PROPOSED PROHIBITION OF WAITING AT ANY TIME**

Statement of Reasons for Proposing to make the Order

Flintshire County Council propose to introduce No Waiting at Any Time restrictions (double yellow lines) in the roads as listed above.

The introduction of the proposed No Waiting At Any Time restrictions are intended to address indiscriminate parking, maintain visibility and to ensure that the junctions are not obstructed by parked vehicles.

Parking is regularly taking place on the continuous bend, thus reducing the carriageway to one lane, which in turn also causes problems at the junctions. Parking on a bend is undesirable as it reduces sight lines and raises safety implications for motorists and pedestrians.

Parking at junctions, regardless of the presence of yellow lines, is an offence and the restrictions provide a visual deterrent to reinforce this message. At present, should vehicles be parked within 10 metres of a junction, an act of criminality may be committed and would therefore be subject to enforcement action by North Wales Police. Furthermore the Highway Code states that vehicles should not park near or on a junction as they may cause obstruction and compromise safety for all road users.

The County Council continues its responsibility to consider the provision of convenient and safe movement of motor vehicles and other traffic, and the proposed measures are aimed at ensuring that danger is minimised to vulnerable road users aswell as improving the amenities of the locality.

**The proposals are detailed in the Public Notice and in the proposed Order**
